sunburned lad of thirteen years His neighbours all said that Danny was as smart as a steel trap and immediately added that they wondered where he got his smartness from certainly not from his father The elder Phillips had been denominated shiftless and slack twisted by all who ever had any dealings with him in his unlucky aimless life one of those improvident easygoing souls who sit contentedly down to breakfast with a very faint idea where their dinner is to come from When he had died no one had missed him unless it were his patient sad eyed wife who bravely faced her hard lot and toiled unremittingly to keep a home for her two children Dan and a girl two years younger who was a helpless cripple suffering from some form of spinal disease Dan who was old and steady for his years had gone manfully to work to assist his mother Though he had been disappointed in all his efforts to obtain steady employment he was active and obliging and earned many a small amount by odd jobs around the village and by helping the Carleton farmers in planting and harvest For the last two years however his most profitable source of summer income had been the trout pond The former owner had allowed anyone who wished to fish in his pond and Dan made a regular business of it selling his trout at the big hotels over at Mosquito Lake This in spite of its unattractive name was a popular summer resort and Dan always found a ready market for his catch MONTGOMERY - Premium Collection: Novels, Short Stories, Poetry & Autobiography (Including Anne Shirley Novels, Chronicles of Avonlea & The Story Girl Series) Lucy Maud Montgomery, 2024-01-12 L M Montgomery Premium Collection is an anthology that offers an exquisite journey into the rich tapestry of the author's literary universe featuring beloved classics such as the Anne Shirley novels Chronicles of Avonlea and The Story Girl series Montgomery s prose is characterized by its lyrical beauty and vivid portrayal of rural life in Canada interweaving themes of nostalgia identity and the transformative power of imagination Through her poignant storytelling and intricate character development the collection captures the essence of childhood wonder and the complexities of adult realities making it a seminal work in the canon of children s literature and beyond Lucy Maud Montgomery born in 1874 on Prince Edward Island drew inspiration from her own experiences and the stunning landscapes of her homeland Her upbringing in a strict Presbyterian household and her struggles with depression often permeate her narratives infusing her characters with depth and authenticity Montgomery s passion for creative writing blossomed in her youth and her dedication to literature eventually led to her groundbreaking success with Anne of Green Gables establishing her as a pioneer in exploring female empowerment and the intricacies of social life This comprehensive collection is a must read for anyone seeking to explore themes of hope resilience and the simple joys of life Montgomery s works resonate across generations offering readers insight into both the past and their own identities Ideal for both new readers and long time fans this anthology promises to delight and inspire solidifying Montgomery s place as a beloved literary figure E.
