

Career Interview/ Job Shadow Reflection

1. I interviewed my sister Mercedes. She is a realtor and has been doing her job for more than a couple years now. Her main source of contact would be her email, Mercedesplance@icloud.com.
2. A typical in this job is reviewing emails, making phone calls to customers and banks, and showing houses to different people.
3. Some necessary skills with this job are being able to answer phone calls and emails. Being able to talk and socialize with people is also a key factor to make sales.
4. I was unaware that income from this job came from commission. Based on the number of sales and the quantity of the sale, the seller gets a percentage of that sale.
5. Some aspects that appeal to me about this job is being able to meet and socialize with new people and in a way, you are your own boss. It is up to you how good of a salesman you can be.
6. Some aspects that are not appealing to me about this job is that clients are able to call and email whenever, whether you are working or not. So, in a way you are always busy with work.
7. This job is a good fit because it requires me to be productive and it is up to me to be able to make sales, which is something that motivates me.
