

## OFFICE OR OTHER OUTPATIENT SERVICES - NEW OR ESTABLISHED PATIENTS

- 99201 has been deleted—to report, use 99202.
- The concept of medical decision making (MDM) does not apply to code 99211, as problems are minimal. This is usually considered a nurse visit; only applicable if all incident to provisions are met.
- Choose a level based on MDM level (2 of the 3 elements below must be met) or total time spent on the date of the encounter.
- Medical necessity must always be considered when selecting a level of service.
- A new patient has not been seen by the provider or a provider in the exact same specialty in the same group practice within the last 3 years.

|                                                         | Level 2                                                                  | Level 3                                                                                                                                                                | Level 4                                                                                                                                                                                                                                                                     | Level 5                                                                                                                                                                                                                                   |
