**Digitization of the Management Accounting Function** Oliver Holtkemper,2020-10-27 This book analyzes the impact of digitization on management accounting in five manufacturing companies It is one of the first in depth empirical studies on the intersection of management accounting and digitization The study suggests that there are two archetypes of digitization of the management accounting function The first archetype emphasizes top down driven changes that aim to enhance efficiency such as conducting tasks with a higher degree of automation in a leaner structure with fewer resources The second

archetype is strongly driven and initiated by employees in the management accounting function bottom up The focus is on improving the use of data by applying innovative analytics methods integrating additional sources of data and benefiting from new technologies like artificial intelligence The results of the study also indicate that digitization of the management accounting function is mostly in line with the overall company strategy

**Managerial Accounting, EMEA Edition** James Jambalvo, 2019-10-15 To be a successful manager you need to understand how foundational managerial accounting concepts apply to the business world Managerial Accounting 7th edition helps students make direct connections between the classroom and the boardroom by presenting robust cases and managers comments on real company issues Known for its You Get What You Measure framework this edition presents an updated focus on building students decision making and critical thinking skills through incremental analysis and data analytics coverage Appropriate for both introductory and MBA Managerial Accounting courses Managerial Accounting 7th edition helps prepares students for their role as future leaders

*The Routledge Companion to Accounting Communication* Lisa Jack, Jane Davison, Russell Craig, 2013-05-02 One of the prime purposes of accounting is to communicate and yet to date this fundamental aspect of the discipline has received relatively little attention The Routledge Companion to Accounting Communication represents the first collection of contributions to focus on the power of communication in accounting The chapters have a shared aim of addressing the misconception that accounting is a purely technical number based discipline by highlighting the use of narrative visual and technological methods to communicate accounting information The contents comprise a mixture of reflective overview stinging critique technological exposition clinical analysis and practical advice on topical areas of interest such as The miscommunication that preceded the global financial crisis The failure of sustainability reporting The development of XBRL How to cut clutter With an international coterie of contributors including a communication theorist a Big Four practitioner and accounting academics this volume provides an eclectic array of expert analysis and reflection The contributors reveal how accounting communications represent or misrepresent the financial affairs of entities thus presenting a state of the art assessment on each of the main facets of this important topic As such this book will be of interest to a wide range of readers including postgraduate students in management and accounting established researchers in the fields of both accounting and communications and accounting practitioners

**Strategic Recreation Management** Jay Shivers, Joseph

Halper, 2011-12-16 Strategic Recreation Management is a comprehensive and up to date introduction to the fundamental principles managerial techniques and practices in the public administration of recreational services It covers every key facet of public management as it concerns recreational service including organizational operational planning developmental and managerial procedures as well as examining all the contextual factors that influence the delivery of recreation such as political pressures economics social considerations physical resources and citizens perception of the field and its performance Each chapter offers illustrative case studies from the real world of recreation management with chapters

sequenced to represent the typical day to day challenges and issues in recreation service Authors Jay Shivers and Joseph Halper have many years experience of working in the recreational sector as educators and practitioners and the result is a textbook that provides the perfect foundation for any degree level course in recreation management as well as being an indispensable reference for all professionals working in recreation service      **Accounting Principles** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06 Accounting Principles provides students with a clear introduction to fundamental accounting concepts with an emphasis on learning the accounting cycle from a sole proprietor perspective This product helps students get the most out of their accounting course by making practice simple Streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and the homework      **American Book Publishing Record** ,2005      Financial & Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2015-01-07 Financial and Managerial Accounting 2nd Edition provides students with a clear introduction to fundamental accounting concepts The Second Edition helps students get the most out of their accounting course by making practice simple Both in the print text and online in WileyPLUS with ORION new opportunities for self guided practice allow students to check their knowledge of accounting concepts skills and problem solving techniques and receive personalized feedback at the question learning objective and course level Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content and the practice homework and assessments questions Weygandt Financial and Managerial Accounting is ideal for a two semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts and learn the accounting cycle from a corporate perspective This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements WileyPLUS with ORION is sold separately from the text
