comma and can occur out of nowhere leaving us asking What just happened and What am I supposed to do now What do we do when we find ourselves in the middle of an ellipsis Author Dave Guerrero offers us a glimpse of what to do when we face one of these ellipses in our life Dave points out that the author and perfecter of our faith has woven these moments into our life and it is what we do when we find ourselves here in the ellipsis that makes all the difference Using memoirs from his own life Dave takes his readers through his God story to show how the ellipsis is a crucial junction where our so far so God meets the best is yet to come With these memoirs Dave shows how we must find hope for the unknown and for the darkness and often pain filled moments of the ellipsis to look forward and proclaim the promises of God who smiles at us and says The best is yet to come Dave's own journey was filled with depression cutting cancer eating disorders and derailed dreams But David shows how scripture is clear that God is always in control As you travel through the ellipsis that he has his prayer is that you will find hope in looking back at your God story and see the all loving author and perfecter of your faith smiling and saying You ain't seen nothing yet
