Job Creation And Local Economic Development:

Job Creation and Local Economic Development OECD,2014-11-19 This publication highlights new evidence on policies to support job creation bringing together the latest research on labour market entrepreneurship and local economic development policy to help governments support job creation in the recovery *Job Creation and Local Economic*

Development 2020 Rebuilding Better OECD,2020-11-23 The impact of COVID 19 on local jobs and workers dwarfs those of the 2008 global financial crisis The 2020 edition of Job Creation and Local Economic Development considers the short term impacts on local labour markets as well as the longer term implications for local development *Job Creation and Local*

Economic Development 2018 Preparing for the Future of Work OECD,2018-09-18 This third edition of Job Creation and Local Economic Development examines the impact of technological progress on regional and local labour markets It sheds light on widening regional gaps on job creation workers education and skills as well as inclusion in local economies *Job Creation*

and Local Economic Development 2023 Bridging the Great Green Divide OECD,2023-03-14 The green transition is changing jobs skills and local economies It poses new challenges but also opportunities both of which will differ across places within countries This report Job Creation and Local Economic Development 2023 Bridging the Great Green Divide provides novel

evidence on those risks and opportunities across regions in 30 OECD countries *Economic Development Incentives, Reported Job Creation, and Local Employment* Paul Bryne,2018 State and local policymakers continue to utilize and place an important emphasis on economic development incentives as a means of attracting and retaining employers with tax

increment financing TIF being one of the more popular incentives Recently a number of states have increased reporting requirements for local economic development agencies in an attempt to ensure that targeted incentives are achieving their stated objectives However the economic validity of these reported jobs depends heavily on the extent to which the incentives

draw new economic activity into an area This paper examines the credibility of the number of jobs reported by local economic development agencies in Missouri as having been created or retained by TIF The paper examines the impact of these reported jobs on county employment as measured by the Bureau of Labor Statistics Results suggest the number of jobs

reportedly created by TIF districts do not significantly impact county employment *Job Creation and Local Economic Development 2016* OECD,2016-11-21 This second edition of Job Creation and Local Economic Development examines how national and local actors can better work together to support economic development and job creation at the local level

Job Creation and Local Economic Development 2016 Collectif,2016-11-28 This second edition of Job Creation and Local Economic Development examines how national and local actors can better work together to support economic development and job creation at the local level It sheds light on a continuum of issues from how skills policy can better meet the needs of local communities to how local actors can better engage employers in apprenticeships and improve the implementation of SME and entrepreneurship policy It includes international comparisons that allow local areas to take stock

of how they are performing in the marketplace for skills and jobs It also includes a set of country profiles featuring among other things new data on skills supply and demand at the level of OECD sub regions TL3 Job Creation and Local Economic Development 2024 The Geography of Generative AI OECD,2024-11-28 Regions across the OECD face a range of labour market challenges and are undergoing a significant transformation An ageing workforce low labour productivity growth persistent regional disparities pervasive labour shortages and new technologies will require both people and places to undergo transitions This report Job Creation and Local Economic Development 2024 The Geography of Generative AI examines the health of regional and local labour markets including through new estimates on regional labour shortages and their drivers New tools and technologies such as Generative AI could help policymakers address these challenges and seize new opportunities for job creation and local economic growth This report provides novel evidence of the geography of the impact of Generative AI on jobs across the OECD It examines which places within countries and types of workers are most exposed to Generative AI and contrasts this with the labour market impact of past waves of technologies that drove automation Finally it discusses local and place based actions and policies for seizing the benefits of Generative AI such as boosting productivity mitigating labour shortages and demographic change as well as for mitigating risks of job displacement

Job Creation and Local Economic Development ,2015 Creating more and better quality jobs is key to boosting growth reducing poverty and increasing social cohesion At national level job creation requires a stable macroeconomic framework coupled with structural policies that encourage innovation skills and business development But how can national and local policies be better aligned and tailored to specific local opportunities and challenges There are a number of barriers to getting the local conditions for job creation right Policy makers often work in silos due to institutional barriers and rigidities in performance management structures and many policies are not flexible enough to be tailored to local conditions Additionally the search for efficiency in delivering national policies and programmes can sometimes lead to a lack of attention to the negative effects that a one size fits all approach can have in certain regions This report provides guidance on how policy makers can bolster local job creation and achieve sustainable inclusive growth while meeting challenges such as youth unemployment population ageing and climate change *Job Creation and Local Economic Development 2023* Organisation for Economic Co-operation and Development,2023-03-14 The green transition is changing jobs skills and local economies It poses new challenges but also opportunities both of which will differ across places within countries This report Job Creation and Local Economic Development 2023 Bridging the Great Green Divide provides novel evidence on those risks and opportunities across regions in 30OECD countries It examines the geography of green task and polluting jobs and examines the impact of the green transition on gender and socio economic inequality by identifying the characteristics of workers in those jobs Furthermore the report tracks the progress regions have made in greening their labour market over the past decade The report provides actionable policy recommendations that can help deliver a green and just transition It looks at

past and other ongoing labour market transitions and identifies local success drivers that can help communities prepare for and manage the impact of the green transition Finally it points out actions for ramping up and adapting local skills development systems to meet the demands of the green transition and equip their workforce with the right skills for the future **OECD Reviews on Local Job Creation Regional Economic Inactivity Trends in Poland** OECD,2021-10-21

Despite its rapid economic growth over the past decades Poland s economic inactivity rate remains above the OECD average and regional differences in labour force participation persist This report sheds light on the drivers of economic inactivity across Polish regions and analyses them in light of both individual and structural factors associated with labour force participation

OECD Reviews on Local Job Creation Employment and Skills Strategies in Slovenia

OECD,2017-09-04 With the rising economic importance of human resources and skills employment and training agencies are now often expected to play a more important role in local strategies to support new job creation facilitate restructuring and increase productivity *OECD Reviews on Local Job Creation Employment and Skills Strategies in the United States*

OECD,2014-09-18 This report looks at the range of institutions and bodies involved in workforce and skills development in two states California and Michigan **Local Economic and Employment Development (LEED) Entrepreneurship and**

Local Economic Development Programme and Policy Recommendations OECD,2003-03-11 This book examines the principal routes through which enterprise creation can have a positive impact on local economies **Putting Locals First**

Program ,2012 *Local Economic and Employment Development (LEED) Job-rich Growth in Asia Strategies for Local Employment, Skills Development and Social Protection* OECD,International Labour Organization,2011-04-14 A joint OECD ILO initiative this book analyses local approaches in Asia to modernise labour markets and skills strategies and shows how local recovery is taking place through a combination of policy measures on employment creation skills development and social protection **OECD Reviews on Local Job Creation Employment and Skills Strategies in the Czech Republic**

OECD,2014-05-21 This review looks at a range of institutions and bodies involved in employment and skills policies in the Czech Republic focusing on local strategies on the st nad Labem and South Moravian regions *OECD Reviews on Local Job Creation Employment and Skills Strategies in Ireland* OECD,2014-03-27 Employment and Skills Strategies in Ireland focuses on the role of local employment and training agencies in contributing to job creation and productivity This report looks at the range of institutions and bodies involved in employment and skills **OECD Reviews on Local Job Creation Employment**

and Skills Strategies in Northern Ireland, United Kingdom OECD,2014-04-18 This book explores how Northern Ireland is implementing labour market and skills policy and putting measures in place at the local level to stimulate quality employment inclusion and growth

OECD Reviews on Local Job Creation Employment and Skills Strategies in Australia OECD,2014-02-03 Employment and Skills Strategies in Australia focuses on the role of local employment and training agencies in contributing to job creation and productivity

Job Creation And Local Economic Development Introduction

In the digital age, access to information has become easier than ever before. The ability to download Job Creation And Local Economic Development has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Job Creation And Local Economic Development has opened up a world of possibilities. Downloading Job Creation And Local Economic Development provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Job Creation And Local Economic Development has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Job Creation And Local Economic Development. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Job Creation And Local Economic Development. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Job Creation And Local Economic Development, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Job Creation And Local Economic Development has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
