Unbeknownst to her, the pictures inspire a predator who lurks in the background. Five years later, fate strikes, reuniting Grant and Cara by chance. Will the former lovers overcome huge obstacles and discover that true love never dies or lose it all. *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1974

If I Loved You Jean C. Joachim, 2017-12-13 Does love always mean total truth? Successfully shunning the limelight was one way for Megan Davis to keep her family secret. The press intruded on her life when her twin brother Mark became the star quarterback for the Delaware Demons. A smart, successful financial advisor, disrespectful of tabloid superstars, Meg was shocked when she was selected to launch a celebrity division in the prestigious investment firm Dillon Weed and overwhelmed by the charisma of her first client, gorgeous magnetic movie star Chaz Duncan, wary of women who wanted to bask in his fame or sell his secrets to the media, valued privacy above all else. Would attractive Megan Davis let her new financial advisor charm the truth from him or would he continue his high profile but lonely existence to keep his secret safe? Jealousy, deceit, and scandal threaten two careers and the quest for true love and trust in this roller coaster ride contemporary romance.

Sweet Love Remembered Jean C. Joachim, 2019-11-17 This is a short story. Blown apart by a heart-rending tragedy, Matt and Perri Jessup went their separate ways: he to Afghanistan and she to New York City. With loss, acrimony, and heartbreak coming between them, was there any reason to stay together? Would a chance meeting five years later bring back old recriminations and accusations? Could they build a bridge between them or was the gulf too wide to cross?
