Grade 12 English Matric Poems:

Teaching In and Beyond Pandemic Times Jonathan D Jansen, Theola Farmer-Phillips, 2021-07-01 Here for the first time is an account of the inner lives of teachers during and immediately after the pandemic lockdown What is teaching like during a pandemic How did teachers manage their emotional lives as colleagues became infected hospitalised and died What did teachers actually do to bridge the gap in teaching and learning where schools and homes lacked electronic resources These are amongst the many questions on which this collection of teacher stories sheds light Most of these are stories of hope resilience and enormous courage in the face of a deadly virus Your faith in teachers and teaching will be restored after reading this book

When Tish Happens Frank Davey, 2011-04 In the early 1960s a group of students at UBC started a magazine called Tish The name was purposefully an anagram of shit in order to demonstrate their youthful and iconoclastic attitude In many ways Tish and its editors became the clear break from older Canadian poets and styles At the heart of the magazine and the movement was Frank Davey And it is Davey who has written this definitive history Davey has organized the material as a memoir starting from his own early days in Abbotsford B C and gradually introducing the other poets including George Bowering Daphne Marlatt and Fred Wah despite the fact that Davey doesn't meet them until they all arrive at UBC Much of the theory of the Tish poets derives from the Black Mountain poets an American movement that incorporated the writings of Charles Olson Robert Creeley and Robert Duncan who suggested the name itself The Black Mountain poets believed that writing should be locally based and should grow out of the author's own breathing patterns The more specific to a locale the better The poets are introduced as characters in a play and when Fred Wah says Let's start a magazine things happen The first 19 issues became the calling card for a new type of poetry but inevitably the writers began to go their own way It is Davey's commitment that holds the group together despite their geographical separation The Tish movement provided the impetus to create a new more contemporary Canadian poetry And here Frank Davey reveals how it started grew and became a lasting force
