Section 1

Competence 1: Language is learned

Question 1: Competence

Read the following text, then answer the questions about it.

The Importance of Folktales

Storytelling is an important part of most cultures. Some cultures have written stories, but many use the oral tradition. The practice passes information from one generation to another through spoken words.

These stories are called folktales. The stories teach, inform, and entertain listeners. Interestingly, stories usually tell the same. The great thing is they are born from cultural history.

Folktales are stories about traditional customs. These stories are about magic, art, and the history of a culture's folklore.

What is the other thing we learn

Folktales are an important part of culture. We learn all about the customs and values. The story is a lesson from our culture and values.
