Abadir,T. Ambler,2013-06-29 The general understanding of design is that it should lead to a manufacturable product Neither the design nor the process of manufacturing is perfect As a result the product will be faulty will require testing and fixing Where does economics enter this scenario Consider the cost of testing and fixing the product If a manufactured product is grossly faulty or too many of the products are faulty the cost of testing and fixing will be high Suppose we do not like that We then ask what is the cause of the faulty product There must be something wrong in the manufacturing process We trace this cause and fix it Suppose we fix all possible causes and have no defective products We would have eliminated the need for testing Unfortunately things are not so perfect There is a cost involved with finding and eliminating the causes of faults We thus have two costs the cost of testing and fixing we will call it cost 1 and the cost of finding and eliminating causes of faults call it cost 2 Both costs in some way are included in the overall cost of the product If we try to eliminate cost 1 cost 2 goes up and vice versa An economic system of production will minimize the overall cost of the product Economics of Electronic Design Manufacture and Test is a collection of research contributions derived from the Second Workshop on Economics of Design Manufacture and Test written for inclusion in this book PC Mag ,1984-06-26 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *Digital Scrapbooking For Dummies* Jeanne Wines-Reed,Joan Wines,2011-05-04 Get creative with graphic elements Tackle photo techniques at any level Ready to preserve your memories digitally This interactive reference explains the basics of this fast versatile new hobby giving you the lowdown on the equipment and programs you need to create beautiful pages You also get expert tips on digital photography graphic design scanning journaling filters and fonts Discover how to Create a digital layout from scratch Select the best software Use popular scrapbook styles Digitize traditional photos Get the kids involved Share your scrapbook online **Computerworld** ,2005-01-24 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award
