

HP 8200 zl Switch Series

Product overview

The HP 8200 zl Switch Series offers high performance, scalability, and a wide range of features in a high-availability platform that dramatically reduces complexity and the total cost of ownership. As part of a unified wired and wireless network infrastructure solution, the 8200 zl Switch Series provides platform technology, system software, system management, application integration, wired and wireless integration, network security, and support that are common across HP modular and fixed-port switches. Together, these features deliver an agile, cost-effective, high-availability network solution.

With key technologies to provide solution longevity, the 8200 zl Switch Series delivers long-term investment protection—without added complexity for network core, aggregation, and high-availability access layer deployments. In addition to all of these capabilities, this switch series comes with a Limited Lifetime Warranty 2.0—making it a compelling switching solution.

A summary of the highlights of the 8200 zl Switch Series:

- Core, distribution, mission-critical access layer
- Advanced high-availability switches
- Integration with HP AllianceONE solutions
- L2-to-L4 intelligent edge feature set
- Enterprise-class performance and security
