From the people behind the UK's leading sailing magazine for cruisers comes *Crash Test Boat* a dramatic documentation of controlled sailing disasters which has the potential to save the lives of each and every seaman who buys it. *Crash Test Boat* is unique in its field with no other title on the market aimed at explicitly revealing at first hand what happens when a boat encounters a major disaster. On the spot reporting with action photographs show what happens when typical family boats fall victim to eight different types of sailing disaster. How quickly does a cabin fill with water when the hull is holed? How do you control a gas leak or explosion? What should you do first when dealing with a dismasting? By providing cruising and racing yachtsmen with vivid accounts of such extreme events, *Crash Test Boat* equips the reader with vital knowledge on what to do if disaster strikes and ultimately gives everyone on board a greater chance of survival if the boat is overcome. **Hidden Paths** Klaus Haeussler, 2016-03-15 After finishing a circumnavigation over five years, Klaus and Maria Haeussler reentered the civil life with its struggle and routine. But they had underestimated the sustainable impact of the free life. And so it wasn't a surprise that they were on the way again after two years on land this time without a solid schedule. They gave up their civil existence with all consequences. Over the course of 13 years from 1998 to 2011 they left 70,000 nautical miles in their wake and sailed in extreme regions from the Northern Atlantic to Cape Horn. During a one and a half times circumnavigation of the Pacific Ocean they came into contact with the different cultures of Patagonia with an excursion to Antarctica, Polynesia, New Zealand and Australia, Micronesia, Japan, the Aleutians, Alaska and Hawaii. With a great love for detail, Klaus Haeussler portrays this adventure-filled period of their lives. In 2010 in Cuxhaven, Germany, Klaus and Maria were awarded with the coveted Trans Ocean Preis for this outstanding voyage.
