|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>World Time</b>           | Displays the current time in major cities and specific areas.                                                                                                                                         | Press button <b>C</b> until display shows WT. Scroll through the pre-set cities using button <b>D</b> . The Local time will be displayed for each city on the LCD.<br><br>Home and world time zones can be easily swapped by pressing buttons <b>A</b> and <b>B</b> simultaneously in this mode.                                                                                                                       |
| <b>Stop Watch</b>           | Elapsed time, split time and final time are measured with 1/1000-sec accuracy. The watch can measure times of up to 24 hrs.                                                                           | Press button <b>C</b> until you reach STW mode. Start and stop stopwatch using button <b>D</b> , reset stopwatch using button <b>A</b> .                                                                                                                                                                                                                                                                               |
| <b>Countdown Timer</b>      | A stopwatch that counts backwards. When 0 minutes, 0 seconds is reached, the timer emits a 10-second signal tone.                                                                                     | Press button <b>C</b> until TMR is displayed. Press and hold button <b>A</b> to unlock the watch. Press <b>C</b> to scroll through Hours, minutes and seconds, using button <b>D</b> to alter where required. Lock your settings with button <b>A</b> then start/ stop the timer with button <b>D</b> . When stopped the timer can be reset with button <b>A</b> .                                                     |
| <b>4 Daily Alarms</b>       | The daily alarm reminds you about recurring events with an acoustic signal at the time you have set. You can also activate hourly time signals (each hour). This model has 5 independent alarms.      | Press button <b>C</b> until the digital displays shows ALM. Choose which of the 4 alarms to set using button <b>D</b> . Once chosen, press and hold button <b>A</b> to unlock the setting function. Press <b>C</b> to choose whether to set the hours or the minutes, and set that section with button <b>D</b> . Press button <b>A</b> lock your settings and then use button <b>A</b> again to turn alarm on or off. |
| <b>Auto Light</b>           | The back light automatically illuminates the watch face each time the watch is tilted 40 degrees. Activate this feature by pressing and holding button <b>B</b> until the A-light indicator turns on. |                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Mineral Glass</b>        | Artificially manufactured glass with improved level of hardness and scratch resistance.                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Water resistant 100M</b> | Perfect for free diving without scuba equipment.                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                        |
