**Realms of the Deathless** Greg Keyes, 2022-09-27 Greg Keyes has always been a skilled storyteller Terry Brooks New York Times bestselling author The Curse shaped Aster's life from birth At first she believed her father was its only victim and determined to save him from it In doing so she learned that the Curse had stricken everyone in the magical realms known as the Kingdoms and that in an attempt to protect her her father had himself created it Now he is dead a victim of his own sorcery But the Curse has not ended with him Her father's actions his dread spell were only the shadows cast by a much deeper older conflict which is now unwinding the universe itself As the sun fades and the stars wink out Aster must follow a clue from her dead father to the highest furthest domain beyond the fairy tale kingdoms through fantastic and terrifying realms of gods and demons to the very source of reality the beginning and ending of everything There she might finally set things right Her path is narrow and the sacrifices necessary for even a tiny chance at success are unacceptable For the Curse has also released a rot at the very heart of the High and Faraway an evil more ancient than time itself It is against this unwavering malevolence that Aster Errol Billy Dusk and Delia must pit themselves They must do so without their friend Veronica a girl murdered decades before and brought back to life by Aster's magic For as Veronica discovers her own vast power she stares into the face of the enemy and sees in it her true self

*The Reign of the Departed* Greg Keyes, 2018-06-19 A young man looking for death finds purpose in a world beyond our own in this sweeping fantasy from Greg Keyes The Briar King Newton's Cannon Errol Greyson hadn't intended to commit suicide Or so he told himself But waking up after his cry for help in the body of a wood and metal construct magically animated by Aster the strange girl from school was not a result he could have imagined Aster's wild explanations of a quest to find the water of health that would cure her father seemed as unreal as her description of Errol's own half dead existence his consciousness stuck in an enchanted automaton while his real body was in a coma from which it might never wake And of course they would need to recruit a girl a virgin no less who had been dead for thirty years to lead them through something called the Pale beyond which a bunch of magical kingdoms existed Plus the threat that Aster could turn him off like a light switch sending him into a hellish oblivion was a convincing incentive to cooperate It all seemed quite mad Either Aster was nuts or Errol was hallucinating But if it meant a new chance at life he reckoned it was worth playing along

**The Age of Unreason** Greg Keyes, 2017-11-28 Ben Franklin must save the world when Isaac Newton unleashes dark magic in this ambitious alternate history series by a New York Times bestselling author Library Journal Greg Keyes reimagines the eighteenth century as an

era of apocalyptic sorcery in which a young printer's apprentice named Benjamin Franklin joins forces with a host of historical personages to prevent humankind's annihilation by demons and black magic inadvertently released by the great British alchemist Sir Isaac Newton. Newton's Cannon, Isaac Newton's discovery of philosopher's mercury threatens to destroy all human life on Earth unless he and his new American protégé young Benjamin Franklin can keep the substance out of the malevolent hands of France's King Louis XIV. An intricately crafted elegantly delivered story filled with idealism and betrayal, adventure and philosophy, fascinating. Library Journal. A Calculus of Angels: A demonic conspiracy has destroyed England while unleashing chaos and terror upon the world. A possessed Peter the Great marches his conquering armies across a devastated Europe. And Newton and Franklin prepare for Armageddon. Empire of Unreason: As eternal winter descends upon Earth, Franklin returns to the American colonies to hone his alchemical skills and ready his secret cabal of scientists, Native Americans, and former slaves for the upcoming battle for humankind's survival. The most original fantasy I have read in years. Kevin K. Anderson, New York Times bestselling author. The Shadows of God: Angels and demons watch and wait as the last warriors of dead Europe invade the New World, intent on defeating Ben Franklin's American alliance and conquering the colonies. Inventive and exciting, filled with clever details and high adventure. Science Fiction Chronicle. **The Shadows of God** Greg Keyes, 2015-12-22. Angels and demons alike watch and wait as the last warriors of old Europe invade the New World in this magnificent conclusion to the Age of Unreason alternate history series. The alchemical catastrophe that Sir Isaac Newton inadvertently unleashed late in the seventeenth century has transformed Europe into a cold, dead wasteland in the eighteenth, much to the delight of the otherworldly malakim who have set humanity at war with itself for the sin of dabbling in the arcane. The last inhabitable territory, the New World, is now the coveted prize of the surviving European warlords. From the West, Russian forces led by the Sun Boy, child of the powerful French sorceress Adrienne de Mornay de Montchevreuil, move relentlessly onward, leaving a trail of devastation in their wake. British troops in the East are equally merciless in their conquests. All that stands against them is a motley alliance of colonists, Native Americans, scientists, philosophers, displaced Europeans, and others led by Ben Franklin, now an alchemist of great repute, and Red Shoes, a Choctaw shaman with questionable motivations. But no matter who wins or loses, the manipulating angels and demons are always watching, and the malakim are determined to be the ultimate victors. In The Shadows of God, the Age of Unreason, Greg Keyes's magnificent alternate history series comes to a stunning and most satisfying conclusion. It is the final chapter in a colorful, exciting, richly detailed, and ingeniously imagined chronicle of life on a damaged Earth where magic and science are on equal planes, and history's icons inhabit a past that never was. **Sword in the Storm** David Gemmell, 2011-06-08. Fierce and proud, the Rigante dwell deep in the green mountain lands, worshipping the gods of air and water and the spirits of the earth. Among them lives a warrior who bears the mark of fate. Born of the storm that slew his father, he is Connavar, and tales of his courage spread like wildfire. The Seidh, a magical race as old as time, take note of the young warrior and cast a malignant

shadow across his life For soon a merciless army will cross the water destroying forever the timeless rhythms of life among the Rigante Swearing to protect his people Connavar embarks on a quest that will take him into the heart of the enemy Along the way he receives a gift a sword as powerful and deadly as the Seidh who forged it Thus he receives a name that will strike fear into the hearts of friend and foe alike a name proclaiming a glorious and bitter destiny Demonblade

**The Booklist** ,1919 Booklist ,1919 **Echoes of the Great Song** David Gemmell, 2011-06-08 A HUMDINGER A MASTERLY TALE TOLD WITH CLARITY AND VERVE The Times London The Avatars are immortal and live like kings even though the empire is dying Their immortality is guaranteed by magic crystals whose influence is now waning overwhelmed by the sheer power of a great flood and a sudden ice age But when two moons appear in the sky and the ruthless armies of the Crystal Queen swarm across the land bringing devastation and terror the Avatars unite with their subjects to protect their universe As the cities face imminent destruction three heroes emerge Talaban a warrior haunted by tragedy Touchstone the mystic tribesman seeking his lost love and Anu the Holy One the Builder of Time And when all seems lost two others enter the fray Sofarita the peasant girl who will inspire a legend and the madman Viruk who will become a god

**Morningstar** David Gemmell, 2011-06-01 There was nothing Jarek Mace wouldn't do for the right price including becoming a hero The Angostin hordes raged over the Southern Borders Evil sorcery ruled and the vampyre kings lived once more The Highland people were in much need of a great hero Jarek Mace needed nothing and no one not even that bard Owen Odell with whom he now traveled But when Mace harassed the Angostins for his own purposes he inadvertently aided the Highland people And now he was being hailed as a hero a legend the great Morningstar returned But Owen Odell knew the real man behind the people's tales Mace was an outlaw a bandit a heartless thief He was no savior of the people He was no legend Or was he It seems that every time I read a new David Gemmell novel it is better than the last and Morningstar is no exception The main difference between the book and the myths it draws upon is that Gemmell includes some of the less savory characters who we suspect may have been at the basis of both Robin and Arthur

Starburst **The Born Queen** Greg Keyes, 2008-03-25 In The Kingdoms of Thorn and Bone Greg Keyes has crafted a brilliant saga of magic adventure and love set against a backdrop of clashing empires and an ancient reawakened evil Now

with *The Born Queen* Keyes brings his epic to a masterly close gathering the strands of plot and character into a stunning climax that both completes and transcends all that has gone before *The Briar King* is dead and the world itself follows him to ruin Aspar White wounded and tired must embark on one last quest to save the forest and the people he loves but he has little hope of success Anne Dare at last sits on the throne of Crotheny but for how long The Church now led by the corrupt and powerful March Hespero has declared a holy war against her giving the king of Hansa the pretext he needs to unleash his vast might on the young queen and her unready army But Hansa is the least of Anne's worries The Hellrune war seer of Hansa strikes at her through vision and prophecy The Kept last of the elder Skasloi lords weaves his own dark webs Anne's teacher and ally in the sedos world might also be her worst enemy and Anne's own mounting strength compels her toward madness Surviving these dangers and mastering her eldritch abilities are merely prelude to the real struggle There are many some with power matching or even exceeding Anne's own who are willing to kill in order to seize control For whoever sits upon the throne will have the ultimate command to bring about the world's salvation or its apocalypse *A.L.A.
