

ELITE WARRIOR

COVENANT SANGHEILI

Those who did not operate in a leadership capacity within the previous Covenant but demonstrated exceptional skill are now allocated to the Elite Warrior class. During the war with the humans, each strength was determined by the number of lives taken—horribly clear measures of triumph and victory. Sangheos in this class utilize powerfully reinforced combat harnesses and wield devastating explosive weapons like the Fuel Rod Cannon. Elite Warriors are one of the most intimidating Covenant classes in operation, known for suddenly and unexpectedly engaging enemies with devastating ferocity.

ELITE ZEALOT

COVENANT SANGHEILI

Without question the highest established of Covenant classes, Elite Zealots now represent both military and religious authority within the alliance, having taken all roles previously filled by the San'Dhyaam. Historically, Zealots have been known for their ruthlessness and cruelty, even within the context of the Covenant. These characteristics are fueled only by their cunning ability to track and eliminate targets. Although these Sangheos operate in a command capacity, they have not been spared from combat on the front lines—not would they ever entertain such a notion. Zealots are still destined to ferociously hunt down their opponents, using the promise of open-ups, both and weapons.
