China in India's Neighbourhood Anita Sengupta, Priya Singh, 2024-04-30 This book explores the scope and extent of the growing Chinese influence in India's neighbourhood and its impact on India as well as on Asian power politics Through theoretical narratives and detailed case studies it examines Chinese bilateral relationships in the Indian neighbourhood and looks at the extent and significance of Chinese influence through the lens of strategic economic and infrastructural arrangements and Chinese interventions in South Southeast and Central Asia The book takes into account regional voices and domestic political

compulsions in understanding what they make of the Chinese narrative and examines how and whether the narrative has changed in recent years through the Belt and Road Initiative BRI as an instrument of Chinese public diplomacy The volume also discusses how domestic narratives and compulsions in the Indian neighbourhood remain significant and how these in turn would impact the trajectory of Chinese public diplomacy Intertwined through all these themes is a focus on the extent to which these could become potential flashpoints for India This book will be a useful resource for academics and researchers working on Asian geopolitics and geo economics Chinese foreign policy Chinese politics international relations of Asia Asian dynamics and Asian studies

The Presidency of Donald J. Trump Julian E. Zelizer, 2022-04-12 Donald Trump took office in 2017 amid an increasingly polarized political field He quickly carved out a loyal base among the radical wing of the Republican party dominated the news cycle with an endless stream of controversies and with the support of his voting base and party presided over one of the most publicized dramatic and contentious one term presidencies in American history In *The Presidency of Donald J. Trump* Julian Zelizer gathers leading American historians to put President Trump and his administration into political and historical context These scholars offer strikingly original assessments of the central issues that shaped the Trump years including the MeToo and BlackLivesMatter movements Trump's crusade against media he dubbed fake news the border wall and immigration more broadly the rapid rise of open white supremacy the national COVID 19 response the calls to defund the police the efforts to contest the outcome of the election and the January 6th insurrection among others Together these essays argue that the Trump presidency was not unprecedented but it represented and emerged from the long term development of the Republican Party and American polarization more broadly
