

JACK AND THE BEANSTALK

Once upon a time there lived a poor widow and her son Jack. One day, Jack's mother told him to sell their only cow. Jack went to the market and on the way he met a man who wanted to buy his cow. Jack asked, "What will you give me in return for my cow?" The man answered, "I will give you five magic beans!" Jack took the magic beans and gave the man the cow. But when he reached home, Jack's mother was very angry. She said, "You fool! He took away your cow and gave you some beans!" She threw the beans out of the window. Jack was very sad and went to sleep without dinner.

The next day, when Jack woke up in the morning and looked out of the window, he saw that a huge beanstalk had grown from his magic beans! He climbed up the beanstalk and reached a kingdom in the sky. There lived a giant and his wife. Jack went inside the house and found the giant's wife in the kitchen. Jack said, "Could you please give me something to eat? I am so hungry!" The kind wife gave him bread and some milk.

While he was eating, the giant came home. The giant was very big and looked very fearsome. Jack was terrified and went and hid inside. The giant cried, "Fee-fi-fo-fum, I smell the blood of an Englishman. Be he alive, or be he dead, I'll grind his bones to make my bread!" The wife said, "There is no boy in here!" So, the giant ate his food and then went to his room. He took out his sacks of gold coins, counted them and kept them aside. Then he went to sleep. In the night, Jack crept out of his hiding place, took one sack of gold coins and climbed down the beanstalk. At home, he gave the coins to his mother. His mother was very happy and they lived well for sometime.

Jack climbed the beanstalk and went to the giant's house again. Once again, Jack asked the giant's wife for food, but while he was eating the giant returned. Jack leapt up in fright and went and hid under the bed. The giant cried, "Fee-fi-fo-fum, I smell the blood of an Englishman. Be he alive, or be he dead, I'll grind his bones to make my bread!" The wife said, "There is no boy in here!" The giant ate his food and went to his room. There, he took out a hen. He shouted, "Lay!" and the hen laid a golden egg. When the giant fell asleep, Jack took the hen and climbed down the beanstalk. Jack's mother was very happy with him.

After some days, Jack once again climbed the beanstalk and went to the giant's castle. For the third time, Jack met the giant's wife and asked for some food. Once again, the giant's wife gave him bread and milk. But while Jack was eating, the giant came home.

Tales of magic, tales in print Willem De Blecourt, 2021-06-15 Since the beginning of the nineteenth century folklorists and the general public in their wake have assumed the orality of fairy tales Only lately have more and more specialists been arguing in favour of at least an interdependence between oral and printed distribution of stories This book takes an extreme position in that debate as far as Tales of magic is concerned the initial transmission proceeded exclusively through prints From a historical perspective this is the only viable approach the opposite assumption of a vast unrecorded and thus inaccessible reservoir of oral stories presents a horror vacui Only in the course of the nineteenth century when folklorists started collecting in the field and asked their informants for fairy tales was this particular genre incorporated into a then feeble oral tradition Even then story tellers regularly reverted to printed texts Every recorded fairy tale can be shown to be dependent on previous publications or to be a new composition constructed on the basis of fragments of stories already in existence Tales of magic tales in print traces the textual history of a number of fairy tale clusters linking the findings of literary historians on the sixteenth to eighteenth centuries to the material collected by nineteenth and twentieth century field workers While it places fairy tales as a genre firmly in a European context it also follows particular stories in their dispersion over the rest of the world *Tales, Then and Now* Anna E.
