Lady Pokingham Or They All Do It

Maria Pramaggiore, Donald E. Hall

Lady Pokingham Or They All Do It:

Lady Pokingham Anonymous, 2015-12-21 Lady Pokingham recounts the life of Beatrice a headstrong and inquisitive young woman who delights in nothing more than giving over all her senses in being gamahuched tribbed taken dominated and chastised by man and woman in like manner But it is in being married to Lord Crim Con that she will experience the kind of sexual awakening that her experiences thus far had only eluded to This rake of educates our heroin in many a manner of deed and device all the while crying out the most licentious of obscenities to her Sharing her with friends acquaintances and servant Lord Crim Con succeeds in corrupting Beatrice further as she partakes in menage a trois and much more This is perhaps one of the more uncompromising tales to come from the pages of the notorious Victorian Erotic periodical The Pearl anonymously written and published by William Lazenby between 1879 1880 and will sure to shock and delight in equal measure readers now as it did over one hundred years ago *The Stanford Companion to Victorian Fiction* John

Sutherland, 1989 An engaging guide to a rich literary heritage The Stanford Companion presents a fascinating parade of novels authors publishers editors reviewers illustrators and periodicals that created the culture of Victorian fiction Its more than 6 000 alphabetical entries provide an incomparable range of useful and little known source material its scholarship enlivened by the author s wit and candor **I Am My Beloveds** Jonathan Papernick, 2022-03-02 Ben Seidel wasn t sure how serious they were when he and his wife Shira discussed having an open marriage But when Shira announces that she is going on a date with Liz any ambiguity evaporates Suddenly every day is new terrain for Ben navigating between keeping things together with Shira and exploring new partners And when one of those new partners begins to matter to him more than he ever anticipated he discovers that the complexities of this new life are only just beginning Bracingly honest refreshingly sexy and deeply empathetic I AM MY BELOVEDS is the work of a superior storyteller making real a lifestyle that might be as close as your own bedroom door *The Great Detective* Zach Dundas, 2015 A journalist and lifelong Sherlock Holmes fan explores Arthur Conan Doyle s original tales to reveal how they laid the groundwork for a myth of seemingly infinite variety in literary and screen adaptations **A Long Time Burning** Donald Thomas, 2024-12-06

Censorship of the written word has proved a constant source for debate and argument To cut or not to cut is a question with a long and fascinating history First published in 1969 A Long Time Burning is an account of the political religious and moral censorship of literature in the context of English literary history It is principally concerned with the evolution of a modern pattern of censorship between the abolition of licensing in 1695 and the late Victorian period The author outlines the motives and methods of censorship illustrating these by more detailed discussion of such cases as those involving Edmund Curll John Wilkes Thomas Paine William Hone Richard Carlile William Dugdale and Henry Vizetelly The unofficial trade in banned books and the campaigns of the Proclamation Society the Society for the Suppression of Vice and the National Vigilance Association are described with the aid of some previously unpublished material The book includes an anthology of illustrative material quoting extracts from

publications banned at various times and for various reasons Pages from such books as *Venus in the Cloister* are reprinted for the first time in more than two centuries while the other documents range from the Blasphemy Act of 1698 to a prosecution brought under the Race Relations Act of 1965

The Pearl. Volumes 1-18 and the Christmas Annual.

Anonymous, 2025-01-17 *The Pearl* is a captivating Victorian erotic bestseller that has intrigued readers since its original publication in the late 19th century This complete edition includes all 18 volumes of the work providing a comprehensive exploration of erotic literature that reflects the complexities of human desire during the Victorian era Published anonymously *The Pearl* presents a unique blend of explicit content and literary artistry making it a significant contribution to the genre of erotic fiction The narratives within *The Pearl* are diverse and richly detailed featuring a wide array of characters drawn from various social backgrounds Each story delves into themes of seduction passion and the exploration of sexual identity offering an unfiltered look at the desires that often lay hidden beneath the surface of Victorian society The writing style is characterized by its eloquence and formality typical of the period while also embracing the boldness of its erotic content This combination creates a reading experience that is both provocative and intellectually stimulating Among the notable works included in this complete edition are *Miss Coote's Confession* or *The Voluptuous Experiences of an Old Maid* and *Sub Umbra* or *Sport Among the She Noodles* *Miss Coote's Confession* tells the story of an older woman reflecting on her sexual experiences and desires challenging societal norms regarding aging and sexuality This narrative invites readers to consider the complexities of desire that persist throughout life offering a refreshing perspective on the often taboo subject of female sexuality *Sub Umbra* presents a playful exploration of erotic encounters among women emphasizing themes of friendship desire and the intricacies of female relationships This story highlights the fluidity of sexuality and the ways in which women navigate their desires in a society that often restricts their expressions of intimacy Both of these works exemplify the rich tapestry of stories found within *The Pearl* showcasing the creativity and imagination of the anonymous author The complete edition of *The Pearl* allows readers to immerse themselves fully in the world of Victorian eroticism Each volume presents new facets of desire from romantic escapades to more daring adventures ensuring that there is something for every reader's taste The anthology format not only offers variety but also highlights the author's skill in crafting tales that entertain while provoking thought and reflection The language used in *The Pearl* is both poetic and explicit creating a sensual atmosphere that enhances the reading experience The author employs rich imagery and metaphor elevating the eroticism beyond mere physicality This literary approach encourages readers to engage their imaginations and explore the depths of their own desires in a safe and imaginative space The stories delve into the emotional and psychological dimensions of intimacy making them relatable and compelling As a historical document *The Pearl* provides valuable insight into the sexual attitudes and behaviors of the Victorian era It reflects the cultural context of its time allowing contemporary readers to better understand the evolution of erotic literature and the shifting perceptions of sexuality The book's enduring popularity speaks to its ability

to engage readers on multiple levels combining entertainment with a rich exploration of human experience The Pearl is a timeless classic that continues to captivate and inspire readers Its exploration of desire intimacy and the human experience makes it a valuable addition to any literary collection This complete edition offers a treasure trove of erotic storytelling that encourages readers to embrace their desires and engage with the complexities of love and longing With its rich history and compelling narratives including the notable works Miss Coote s Confession and Sub Umbra The Pearl remains a significant and thought provoking work that resonates with audiences across generations Whether approached as a curiosity or as a serious exploration of erotic literature this complete edition promises to engage and intrigue all who delve into its pages

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi

Inventing the Victorians Matthew Sweet,2014-06-03 Suppose that everything we think we know about the Victorians is wrong So begins Inventing the Victorians by Matthew Sweet a compact and mind bending whirlwind tour through the soul of the nineteenth century and a round debunking of our assumptions about it The Victorians have been victims of the the enormous condescension of posterity in the historian E P Thompson s phrase Locked in the drawing room theirs was an age when supposedly existence was stultifying dank and over furnished and when behavior conformed so rigorously to proprieties that the repressed results put Freud into business We think we have the Victorians pegged as self righteous imperialist racist materialist hypocritical and worst of all earnest Oh how wrong we are argues Matthew Sweet in this highly entertaining provocative and illuminating look at our great and great great grandparents One hundred years after Queen Victoria s death Sweet forces us to think again about her century entombed in our minds by Dickens the Elephant Man Sweeney Todd and by images of unfettered capitalism and grinding poverty Sweet believes not only that we re wrong about the Victorians but profoundly indebted to them In ways we have been slow to acknowledge their age and our own remain closely intertwined The Victorians invented the theme park the shopping mall the movies the penny arcade the roller coaster the crime novel and

the sensational newspaper story Sweet also argues that our twenty first century smugness about how far we have evolved is misplaced The Victorians were less racist than we are less religious less violent and less intolerant Far from being an outcast Oscar Wilde was a fairly typical Victorian man the love that dared not speak its name was declared itself fairly openly In 1868 the first international cricket match was played between an English team and an Australian team composed entirely of aborigines The Victorians loved sensation novelty scandal weekend getaways and the latest conveniences by 1869 there were image capable telegraphs in 1873 a store had a machine that dispensed milk to after hours shoppers Does all this sound familiar As Sweet proves in this fascinating eye opening book the reflection we find in the mirror of the nineteenth century is our own We inhabit buildings built by the Victorians some of us use their sewer system and ride on the railways they built We dismiss them because they are the age against whom we have defined our own In brilliant style *Inventing the Victorians* shows how much we have been missing *The Unknown Relatives* Monika Mazurek,2017-05-25 *The Unknown Relatives* analyzes a large body of Victorian literary texts dealing with the topic of Catholicism and Catholics written from the non Catholic perspective The readings of these texts are inspired by psychoanalytic criticism primarily by the work of Freud and Kristeva and includes the readings of a number of Victorian authors both canonical like Charlotte Bront William Thackeray and Charles Dickens and lesser known ones such as George Borrow John Shorthouse and Mrs Humphry Ward *A Study of Erotic Literature in England* W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation **The Language Wars** Henry Hitchings,2025-06-25 The English language is a battlefield Since the age of Shakespeare arguments over correct usage have been bitter and have always really been about contesting values morality politics and class *The Language Wars* examines the present state of the conflict its history and its future Above all it uses the past as a way of illuminating the present Moving chronologically the book explores the most persistent issues to do with English and unpacks the history of proper usage Where did these ideas spring from Who

has been on the front lines in the language wars The Language Wars examines grammar rules regional accents swearing spelling dictionaries political correctness and the role of electronic media in reshaping language It also takes a look at such details as the split infinitive elocution and text messaging Peopled with intriguing characters such as Jonathan Swift Lewis Carroll and Lenny Bruce The Language Wars is an essential volume for anyone interested in the state of the English language today or its future

Virgin Envy Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it's there it's just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Taïa or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires

Vulgar Tongues Max Décharné, 2017-06-06 This rollercoaster ride through the colorful history of slang from highwaymen to hip hop is a fresh and exciting take on the subject entertaining and authoritative without being patronizing out of touch or voyeuristic Slang is the language of pop culture low culture street culture underground movements and secret societies depending on your point of view it is a badge of honor a sign of identity or a dangerous assault on the values of polite society Of all the vocabularies available to us slang is the most alive constantly evolving and as it leaks into the mainstream and is taken up by all of us infusing the language with a healthy dose of vitality Witty energetic and informative Vulgar Tongues traces the many routes of slang beginning with the thieves and prostitutes of Elizabethan London and ending with the present day where the centuries old terms rap and hip hop still survive though their meanings have changed On the way we will meet Dr Johnson World War II flying aces pickpockets schoolchildren hardboiled private eyes carnival geeks and the many eccentric characters who have tried to record slang throughout its checkered past If you're curious about flapdragons and ale passion the changing meanings of punk and geek or how fly originated on the streets of eighteenth century London and square in Masonic lodges this is the book for you

Dictionary of Nineteenth-century Journalism in Great Britain and Ireland Laurel Brake, Marysa Demoor, 2009 A large scale reference work covering the journalism industry in 19th Century Britain

An Encyclopedia of Swearing Geoffrey

Hughes,2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English speaking world It covers the various social dynamics that generate swearing foul language and insults in the entire range of the English language While the emphasis is on American and British English the different major global varieties such as Australian Canadian South African and Caribbean English are also covered A Z entries cover the full range of swearing and foul language in English including fascinating details on the history and origins of each term and the social context in which it found expression Categories include blasphemy obscenity profanity the categorization of women and races and modal varieties such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens Entries cover the historical dimension of the language from Anglo Saxon heroic oaths and the surprising power of medieval profanity to the strict censorship of the Renaissance and the vibrant modern language of the streets Social factors such as stereotyping xenophobia and the dynamics of ethnic slurs as well as age and gender differences in swearing are also addressed along with the major taboo words and the complex and changing nature of religious sexual and racial taboos

Touch, Sexuality, and Hands in British Literature, 1740-1901 Kimberly Cox,2021-09-05 From Robert Lovelace s uninvited hand grasps in Samuel Richardson s *Clarissa* to Basil Hallward s first encounter with Dorian Gray literary depictions of touching hands in British literature from the 1740s to the 1890s communicate emotional dimensions of sexual experience that reflect shifting cultural norms associated with gender roles sexuality and sexual expression But what is the relationship between hands tactility and sexuality in Victorian literature And how do we best interpret what those touches communicate between characters This volume addresses these questions by asserting a connection between the prevalence of violent sexually charged touches in eighteenth century novels such as those by Eliza Haywood Samuel Richardson and Frances Burney and growing public concern over handshake etiquette in the nineteenth century evident in works by Jane Austen the Bront s George Eliot Elizabeth Gaskell Thomas Hardy Oscar Wilde and Flora Annie Steel This book takes an interdisciplinary approach that combines literary analysis with close analyses of paintings musical compositions and nonfictional texts such as etiquette books and scientific treatises to make a case for the significance of tactility to eighteenth and nineteenth century perceptions of selfhood and sexuality In doing so it draws attention to the communicative nature of skin to skin contact as represented in literature and traces a trajectory of meaning from the forceful grips that violate female characters in eighteenth century novels to the consensual embraces common in Victorian and neo Victorian literature

Sexual Pedagogies C. Nelson,M. Martin,2004-01-02 Understandings of sexuality and sex education have changed dramatically and in this collection the authors explore the various texts that were used to teach to entertain to sanction and to form a sexual standard for a nation According to Nelson and Martin these include a puberty education sermons on abstinence medical writings promoting sexual fulfillment Hollywood comedies about sexual coming of age and picture books validating homosexuality The essays included here are designed to illustrate the many responses that Anglophone culture has had to

such texts for over a century **The Longman Companion to Victorian Fiction** John Sutherland, 2014-10-13 With over 900 biographical entries more than 600 novels synopsized and a wealth of background material on the publishers reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest account of the period's fiction ever published Now in a second edition the book has been revised and a generous selection of images have been chosen to illustrate various aspects of Victorian publishing writing and reading life Organised alphabetically the information provided will be a boon to students researchers and all lovers of reading The entries though concise meet the high standards demanded by modern scholarship The writing marked by Sutherland's characteristic combination of flair clarity and erudition is of such a high standard that the book is a joy to read as well as a definitive work of reference **RePresenting**

Bisexualities Maria Pramaggiore, Donald E. Hall, 1996-07-01 Is bisexuality coming out in America Bisexual characters are surfacing on popular television shows and in film Newsweek proclaims that a new sexual identity is emerging But amidst this burgeoning acknowledgment of bisexuality is there an understanding of what it means to be bisexual in a monosexual culture RePresenting Bisexualities seeks to answer these questions integrating a recognition of bisexual desire with new theories of gender and sexuality Despite the breakthroughs in gender studies and queer studies of recent years bisexuality has remained largely unexamined Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence covering texts from Emily Dickinson to Nine Inch Nails Each author contributes to the collection a unique view of sexual fluidity and transgressive desire Taken together these essays provide the most comprehensive bisexual theory reader to date An Analytical Survey of Anglo-American Traditional Erotica Frank A. Hoffmann, 1968
