Prairie Fairies Valerie J. Korinek, 2018-06-26 Prairie Fairies draws upon a wealth of oral archival and cultural histories to recover the experiences of queer urban and rural people in the prairies Focusing on five major urban centres Winnipeg Saskatoon Regina Edmonton and Calgary Prairie Fairies explores the regional experiences and activism of queer men and women by looking at the community centres newsletters magazines and organizations that they created from 1930 to 1985 Challenging the preconceived narratives of queer history Valerie J Korinek argues that the LBGTQ community has a long history in the prairie west and that its history previously marginalized or omitted deserves attention Korinek pays tribute to the prairie activists and actors who were responsible for creating spaces for socializing politicizing and organizing this community both in cities and rural areas Far from the stereotype of the isolated insular Canadian prairies of small towns and farming communities populated by faithful farm families Prairie Fairies historicizes the transformation of prairie cities and ultimately the region itself into a predominantly urban and diverse place
