Edexcel GCSE Geography B | **Paper 1 - UK Geographical Issues - Fieldwork - Work Booklet**

Topic

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

The sea level is rising, therefore, is it making the coastline more erosion?

The first part of this response is positive although there is a hint that it would be better if the student could be directed to make the point clear and present a second point for the point. The second part of this response is positive about the topic and the subsequent point is positive.

2. Suggest a simple question or hypothesis for the students to explore in their investigation.

Is the sea level rising, therefore, is it making the coastline more erosion?

Do not leave things unsimplified. Having asked these questions, the student should be able to explain the answer.

3. Suggest a simple question or hypothesis for the students to explore in their investigation.

Is the sea level rising, therefore, is it making the coastline more erosion?

There is a strong positive response to the question and the student is able to explain the answer.
