Contemporary Drama in English, 2007 *The Gatekeepers* Jacques Steinberg, 2003-07-29 In the fall of 1999 New York Times education reporter Jacques Steinberg was given an unprecedented opportunity to observe the admissions process at prestigious Wesleyan University Over the course of nearly a year Steinberg accompanied admissions officer Ralph Figueroa on a tour to assess and recruit the most promising students in the country *The Gatekeepers* follows a diverse group of prospective students as they compete for places in the nation's most elite colleges The first book to reveal the college admission process in such behind-the-scenes detail *The Gatekeepers* will be required reading for every parent of a high school age child and for every student facing the arduous and anxious task of applying to college *The Gatekeepers* provides the deep insight that is missing from the myriad how-to books on admissions that try to identify the formula for getting into the best colleges I really didn't want the book to end The New York Times [Encyclopedia of Fantasy and Horror Fiction](#) Don D'Amassa, 2014-05-14 *Encyclopedia of Fantasy and Horror Fiction* provides comprehensive coverage of the major authors and works in these popular genres Each entry includes a brief discussion of the author's life and work and includes a full bibliography Each entry on *Wait For It* Jesse McLean, 2014-09-01 Re-live the entire hit series with this insightful companion As the record-breaking run of the CBS hit sitcom *How I Met Your Mother* draws to an end new fans of the epic romantic comedy are still appearing in droves thanks to the joy of binge-watching on demand What better way for old fans and new to reminisce about all the friendships and fun than by looking at the series as a whole in Jesse McLean's *Wait For It* With an entertaining examination of each of the nine seasons of the show McLean not only looks at the characters and stories but the making of stories the running gags the lead actors and the lasting impact of *How I Met Your Mother* on pop culture thanks to a cult fandom that's grown to a national obsession [Ingmar Bergman](#) Geoffrey Macnab, 2009-06-17 Ingmar Bergman was the last and arguably the greatest of the old style European auteurs and his influence across all areas of contemporary cinema has continued to be considerable since his death in July 2007 Drawing on interviews with collaborators and original research this book puts Bergman's career into the context of his life and offers a new and revealing portrait of this great filmmaker Geoffrey Macnab explores the often painfully autobiographical nature of his work while also looking in detail at Bergman as a craftsman He considers Bergman's working relationship with his actors especially the actresses he helped make into international stars his passion for theatre literature and classical music and his obsession with death and cruelty The book traces his traumatic childhood asking how his experiences growing up as the son of a strict Lutheran pastor fed into his later writing and filmmaking It also looks at his political life chronicling his teenage flirtation with Nazism his bitter spat in the mid 70s with the Swedish authorities over his tax affairs and his often vexed relationship with his fellow

Swedes Geoffrey Macnab also considers how Bergman's work was financed and distributed his relationship with US agents and how close he came to working in Hollywood When I was 10 years old I received my first rattling film projector with its chimney and lamp which went round and round and round I found it both mystifying and fascinating Ingmar Bergman

Friedman, 2010-10-01 Steven Spielberg is the director or producer of over one third of the thirty highest grossing films of all time yet most film scholars dismiss him as little more than a modern P T Barnum a technically gifted and intellectually shallow showman who substitutes spectacle for substance To date no book has attempted to analyze the components of his worldview the issues which animate his most significant works the roots of his immense acceptance and the influence his vast spectrum of imaginative products exerts on the public consciousness In Citizen Spielberg Lester D Friedman fills that void with a systematic analysis of the various genres in which the director has worked including science fiction E T adventure Raiders trilogy race films The Color Purple Amistad and war films Saving Private Ryan Schindler's List Friedman concludes that Spielberg's films present a sustained artistic vision combined with a technical flair matched by few other filmmakers and makes a compelling case for Spielberg to be considered as a major film artist
