Satellites in the High Country Jason Mark, 2015-09-29 In Satellites in the High Country journalist and adventurer Jason Mark travels beyond the bright lights and certainties of our cities to seek wildness wherever it survives In California s Point Reyes National Seashore a battle over oyster farming and designated wilderness pits former allies against one another as locals wonder whether wilderness should be untouched farmed or something in between In Washington s Cascade Mountains a modern day wild woman and her students learn to tan hides and start fires without matches attempting to connect with a primal past out of reach for the rest of society And in Colorado s High Country dark skies and clear air reveal a breathtaking expanse of stars flawed only by the arc of a satellite passing beauty interrupted by the traffic of a million conversations These expeditions to the edges of civilization s grid show us that although our notions of pristine nature may be shattering the mystery of the wild still exists and in fact it is more crucial than ever *High Country* Courtney Ryley Cooper, 1926 *The Academy and Literature* ,1887 **Blunders in International Business** David A. Hamilton, Tom J. Hillard, 2014-11-01 Before the West Was West examines the extent to which scholars have engaged in depth with pre 1800 western texts and asks what we mean by western American literature in the first place and when that designation originated Calling into question the implicit temporal boundaries of the American West in literature a literature often viewed as having commenced only at the beginning of the 1800s Before the West Was West explores the concrete meaningful connections between different texts as well as the development of national ideologies and mythologies Examining pre nineteenth century writings that do not fit conceptions of the Wild West or of cowboys cattle ranching and the Pony Express these thirteen essays demonstrate that no single unified idea or geography defines the American West Contributors investigate texts ranging from the Norse Vinland Sagas and Mary Rowlandson s famous captivity narrative to early Spanish and French exploration narratives an eighteenth century English novel and a play by Aphra Behn Through its examination of the disparate and multifaceted body of literature that arises from a broad array of cultural backgrounds and influences Before the West Was West apprehends the literary West in temporal as well as spatial and cultural terms and poses new questions about westernness and its literary representation **Holiness and High Country** A.
