## **Howard Greenberg Collection:**

**Howard Greenberg Collection** Howard Greenberg, Sam Stourdze, Agnès Sire, 2014 Howard Greenberg has been a gallery owner for more than 30 years and is considered one of the pillars of the New York photographic scene While he is well known as a dealer his private passion as a collector is now revealed for the first time to a larger public The Howard Greenberg Collection which has been carefully assembled over decades comprises around 500 photographs that distinguish themselves by their superb print quality This unique collection reflects Greenberg's diverse fields of interest ranging from the modern aesthetic approach of the 1920s and 1930s with the works of Edward Steichen Edward Weston and the Czech School to contemporary photographers such as Minor White Harry Callahan and Robert Frank A large part of the collection explores humanist photography represented among others by Lewis Hine David Seymour and Farm Security Administration photographers like Walker Evans and Dorothea Lange witnesses of the Great Depression of the 1930s More than anything Greenberg's collection illustrates New York's enormous influence on twentieth century photography dynamic architecture and urban life as seen in the photographs of Berenice Abbott Weegee and Lee Friedlander [Viewpoints](#) Kristen Gresh, Anne E. Havinga, 2019-10-08 Over the course of the twentieth century photography evolved as an art form while serving as an eyewitness to social cultural and political change This book presents some seventy five iconic images that came to define their times and explores the stories behind the moments they recorded and the photographers who captured them Among these beautifully reproduced images many from unique vintage prints are powerful visual testimonies of Depression era America politically engaged street photography definitive celebrity portraits celebrations of the performing arts harrowing visions of war and compelling depictions of the Civil Rights movement Drawing on the unparalleled Howard Greenberg Collection recently acquired by the Museum of Fine Arts Boston Viewpoints invites us to take a fresh look at celebrated photographs by such masters of the medium as Berenice Abbott Margaret Bourke White Robert Capa Henri Cartier Bresson Walker Evans Robert Frank Dorothea Lange Gordon Parks and Edward Steichen **Howard Greenberg Gallery (New York, N.Y.)** Howard Greenberg Gallery (New York, N.Y.), **On the Street and in the Studio** Howard Greenberg, 2016 The catalogue for a two part exhibition that presents more than sixty compelling photographs including prints by Eugène Atget and Berenice Abbott exploring major themes in modern photography donated by leading photography specialist and dealer Howard Greenberg *The Great Parade* Pierre Théberge, Galeries Nationales du Grand Palais (Paris), National Gallery of Canada, 2004-01-01 A beautiful book that showcases how circus figures and artifacts have been portrayed in art over the past two centuries The circus is a dazzling world filled with acrobats and harlequins tumblers and riders monsters and celestial creatures Now this engaging book sets that world in a new light examining how painters sculptors and photographers from the eighteenth century to the present have used the circus as a springboard for their imaginative expression and have envisioned the clown as a metaphor for the modern artist The book presents more than 175

works by such artists as Degas Toulouse Lautrec Rouault Picasso Chagall and Leger Some of these are masterful works shown for the first time these range from the 18 meter stage curtain Picasso designed in 1917 for Erik Satie's ballet Parade to more intimate works such as Nadar and Tournachon's photographs of Pierrot as played by celebrated mime Charles Debureau SoHo Grand Hotel Collection Howard Greenberg Gallery (New York, N.Y.), 1995 The SoHo Grand Hotel in association with the Howard Greenberg Gallery presents a suite of twelve original black and white photographs selected for the guest rooms of the Soho Grand Hotel Taken by well known New York photographers in the nineteen forties and fifties These lively images underscore the motif of old New York and illuminate the artistic legacy of Soho Page 1 **Vivian Maier**

Pamela Bannos, 2017-10-05 Look's past the mystique of the eccentric nanny with a camera to tell the true Maier story An extraordinary work Library Journal Who was Vivian Maier Many know her as the reclusive Chicago nanny who wandered the city for decades constantly snapping photographs which were unseen until they were discovered in a seemingly abandoned storage locker They revealed her to be an inadvertent master of twentieth century American street photography Not long after the news broke that Maier had recently died and had no surviving relatives Soon the whole world knew about her preternatural work shooting her to stardom almost overnight But as Pamela Bannos reveals in this meticulous biography this story of the nanny savant has blinded us to Maier's true achievements as well as her intentions Most important Bannos argues Maier was not a nanny who moonlighted as a photographer she was a photographer who supported herself as a nanny In Vivian Maier A Photographer's Life and Afterlife Bannos contrasts Maier's life with the mythology that strangers mostly the men who've profited from her work have created around her absence She shows that Maier was extremely conscientious about how her work was developed printed and cropped even though she also made a clear choice never to display it She places Maier's fierce passion for privacy alongside the recent spread of her work around the world and explains Maier's careful adjustments of photographic technique while explaining how the photographs have been misconstrued or misidentified Bannos also uncovers new information about Maier's immediate family including her difficult brother Karl relatives once thought not to exist This authoritative biography shows that the real story of Vivian Maier a true visionary artist is even more compelling than the myth An excellent book that reads like a mystery novel Wonderful and engrossing Elizabeth Currid Halkett author of Starstruck The Business of Celebrity It's a portrait as direct as any of Maier's and what a distinct pleasure it is to meet her gaze again The New York Times This book is by far the finest yet published on the artist I believe it will become a classic in the field Art in America Women Photographers and Feminist Aesthetics Claire Raymond, 2017-04-21 Women Photographers and Feminist Aesthetics makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann

and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender

Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr.,2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates

*Modern Look* Mason Klein,2020-05-05 A fascinating exploration of how photography graphic design and popular magazines converged to transform American visual culture at mid century This dynamic study examines the intersection of modernist photography and American commercial graphic design between 1930 and 1960 Avant garde strategies in photography and design reached the United States via European migr s including Bauhaus artists forced out of Nazi Germany The unmistakable aesthetic made popular by such magazines as Harper s Bazaar and Vogue whose art directors Alexey Brodovitch and Alexander Liberman were both immigrants and accomplished photographers emerged from a distinctly American combination of innovation inclusiveness and pragmatism Beautifully illustrated with more than 150 revolutionary photographs layouts and cover designs Modern Look considers the connections and mutual influences of such designers and photographers as Richard Avedon Lillian Bassman Herbert Bayer Robert Frank Lisette Model Gordon Parks Irving Penn Cipe Pineles and Paul Rand Essays draw a lineage from European experimental design to innovative work in American magazine design at mid century and offer insights into the role of gender in fashion photography and political activism in the mass media

**Vivian Maier Developed** Ann Marks,2023-07-04 The definitive and authorized biography that unlocks the remarkable story of Vivian Maier the nanny who lived secretly as a world class photographer featuring nearly 400 of her images many never seen before placed for the first time in the context of her life Vivian Maier the photographer nanny whose work was famously discovered in a Chicago storage locker captured the imagination of the world with her masterful images and mysterious life Before posthumously skyrocketing to global fame she had so deeply buried her

past that even the families she lived with knew little about her No one could relay where she was born or raised if she had parents or siblings if she enjoyed personal relationships why she took photographs and why she didn't share them with others Now the full story of her extraordinary life is explored by the only person who has been given access to her personal records and archive of 140 000 photographs Based on meticulous investigative research Vivian Maier Developed reveals the story of a woman who fled from a family with a hidden history of illegitimacy bigamy parental rejection substance abuse violence and mental illness to live life on her own terms Left with a limited ability to disclose feelings and form relationships she expressed herself through photography creating a secret portfolio of pictures teeming with emotion authenticity and humanity With limitless resilience she knocked down every obstacle in her way determined to improve her lot in life and that of others by tirelessly advocating for the rights of workers women African Americans and Native Americans No one knew that behind the detached veneer was a profoundly intelligent empathetic and inspired woman a woman so creatively gifted that her body of work would become one of the greatest photographic discoveries of the century

**The Photographer's Vision Remastered** Michael Freeman, 2019-03-07 In The Photographer's Vision international bestseller Michael Freeman examines the work of photography's greats explaining how to view a photo and how to learn from looking at it Photographers featured include some of the most distinguished names in photography's history Nick Knight Frederick Henry Evans Frans Lanting Tim Page Wolfgang Tillmans Nan Goldin Walker Evans Cindy Sherman Elliott Erwitt Trent Parke Jeff Wall Paul Strand Romano Cagnoni and many more making this book visually stunning as well as intellectually rigorous

**The Art of Mystery** Maud Casey, 2018-01-02 A sensitive and nuanced exploration of a seldom discussed subject by an acclaimed novelist The fourteenth volume in the Art of series conjures an ethereal subject the idea of mystery in fiction Mystery is not often discussed apart from the genre because as Maud Casey says It's not easy to talk about something that is a whispered invitation a siren song a flickering light in the distance Casey the author of several critically acclaimed novels reaches beyond the usual tool kit of fictional elements to ask the question Where does mystery reside in a work of fiction She takes us into the Land of Un a space of uncertainty and unknowing to find out and looks at the variety of ways mystery is created through character image structure and haunted texts including the novels of Shirley Jackson Paul Yoon J M Coetzee and more Casey's wide ranging discussion encompasses spirit photography the radical nature of empathy and contradictory characters as she searches for questions rather than answers The Art of Mystery is a striking and vibrant addition to the much loved Art of series
