Lady Behind The Badge:

Women Behind the Men Behind the Badge Alicia Williams,1997 *Jafr* Cheryl Choate,2016-05-21 Can you believe this The suspect is a DEA agent He went ballistic and murdered his ex girlfriend in front of her family Want to hear the best part The victims boyfriend was hiding in the closet and saw the whole thing My hands grew clammy and I thought I was going to throw up the dinner I had just eaten prior to getting this call That was the night I was assigned to work a special detail with the homicide detectives to help search for a murder suspect I had to stay in cop mode even though all I wanted to do was go home Would I ever see my daughters again Why hadnt I listened to my father I was just a single divorced young mom with two daughters at home who needed me This wasnt even my full time job What was I doing But I knew I had an obligation to my family to dig deep and stay strong and focused in order to go home alive Ebony ,1982-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **THE CALLING** Richard J. Stephens MA Jr.,2022-11-07 Learning from a young age about the importance of fair play honor and integrity US Navy veteran former mayor and Retired County Sheriff Richard Stephens filled multiple roles throughout his thirty plus years of law enforcement and public service From standing on the same ground where lives were taken leading teams into dangerous situations and ensuring those who were entrusted him with their safety lived to see another day little did he know the impact his chosen calling would ultimately have upon him both physically and emotionally Plagued with unresolved trauma Richard carried on as any peace officer would hiding the remnants of a lifetime of darkness deep within the confines of his mind to maintain his personal dignity as a leader and protector Overtaken by the darkness of depression anxiety and post traumatic stress Richard was subjected to the life altering concept of Crisis Intervention Teams Learning the benefits of behavioral health and wellness Richard began the journey of bringing law enforcement wellness to the forefront of our minds through providing a glimpse into the minds of the modern day police servant This must read account provides a detailed action plan for understanding what officers feel think and consider when carrying out their duty With the goal of building relationships and fostering cooperation between law enforcement and behavioral health partners this gripping account of one man s journey of personal growth is a staple for every professional hoping to effect change Follow along as Richard describes countless life events horrifying encounters and lifelines he has discovered throughout his years of service This realistic real life story is about overcoming obstacles while enhancing our understanding about why cops think what they think and act in the manner they do It s a journey into awareness and relationship building centered around commitment understanding and wellness **Behind Her Badge** Ann Marie Dennis,2023-07-15 I ve been called a badass cop throughout my career but the truth is that isn t the real me at least not how I ve ever viewed myself Behind that veneer there has always been an insecure little girl who struggled to find her way in life I was in search of strength and self confidence when I entered my law enforcement career but I ended up

suffering new traumas that I was ill prepared to cope with I struggled to find success in the tough gritty male dominated world of policing I faced biases repeated layoffs and became a seasoned undercover officer working as a prostitute drug addict and thief I left law enforcement and returned to college where education and research offered me enlightenment to the realities of policing that I was too submerged into the subculture to see I was forced to come to grips with the many mistakes and misconceptions I made while working as a police officer and only now do I understand how institutional biases are perpetuating many of the same mistakes I made in policing today **Lady Behind the Badge** Thomas
