Analyzing Literature-to-Film Adaptations Mary H. Snyder,2011-01-20 This is a wise and wonderful book which among other things provides a novelist's eloquent insider's perspective on the transformation of one of her books into a film Thirty years ago Stanley Cavell published *The World Viewed* Reflections on the Ontology of Film which opened up an intellectual highway between philosophy and cinema Now at long last Mary Snyder's book accomplishes a parallel clearing of the way between film making the art of the novel and literary and critical theory Every page is bubbling with creative theoretical and pedagogical insights Her intertextual readings of a score of literature to film adaptations are priceless in themselves I only wish that the title of the book had been taken from her chapter *The Fascination Never Ends* Michael Payne Professor of English Emeritus Bucknell University Critical questions specific to film adaptations need to be not only developed but established These questions or approaches must be accessible to students including those students who are not yet educationally sophisticated enough to digest purely theoretical material *Analyzing Literature to Film Adaptations* A Novelist's Exploration and Guide demonstrates an exploration into film adaptation from a novelist's perspective comprising a study of literary creation as well as the process product of adaptation and moving into the author's collaboration with a screenwriter which ultimately becomes a journey to understand and identify the implications of literature to film adaptation and the complexities and problems it raises Drawing from both classic and contemporary film adaptations *Frankenstein The Hours The Constant Gardener Children of Men The Lovely Bones Away from Her* the book puts forth an understanding of film and film analysis as well as addresses literary analysis The crux of the book however lies in its introduction to an academic means for critical analysis of film adaptations

*Queering Mennonite Literature* Daniel Shank Cruz,2019-01-27 Though the terms queer and Mennonite rarely come into theoretical or cultural contact over the last several decades writers and scholars in the United States and Canada have built a body of queer Mennonite literature that shifts these identities into conversation In this volume Daniel Shank Cruz brings this growing genre into a critical focus bridging the gaps between queer theory literary criticism and Mennonite literature Cruz focuses his analysis on recent Mennonite authored literary texts that espouse queer theoretical principles including Christina Penner's *Widows of Hamilton House* Wes Funk's *Wes Side Story* and Sofia Samatar's *Tender* These works argue for the existence of a queer Mennonite identity on the basis of shared values a commitment to social justice a rejection of binaries the importance of creative approaches to conflict resolution and the practice of mutual aid especially in resisting oppression Through his analysis Cruz encourages those engaging with both Mennonite and queer literary criticism to explore the opportunity for conversation and overlap between the two fields By arguing for engagement between these two identities and highlighting the aspects of Mennonitism that are inherently queer

Cruz gives much needed attention to an emerging subfield of Mennonite literature This volume makes a new and important intervention into the fields of queer theory literary studies Mennonite studies and religious studies **Saturday Review of Literature** ,1926
