**Silent No More** Jerome R. Corsi, 2018-12-11 As seen on Tucker Carlson Tonight Hannity and CNN In Silent No More How I Became a Political Prisoner of Mueller's Witch Hunt New York Times bestselling author of Killing the Deep State Jerome R Corsi Ph D meticulously details the psychological torment he was subjected to in what the media has simply called The Mueller Investigation In late 2018 in an FBI closed conference room with no windows Dr Corsi was confronted for hours upon hours at a time by detailed questioning about events that occurred in 2016 Dr Corsi's inquisition was worthy of the Gestapo or KGB designed to break even the most cooperating witness Over a period of two months three of Mueller's top prosecutors and an army of FBI agents up to nine government officials at a time questioned Dr Corsi with his attorney David Gray Throughout this harrowing ordeal Dr Corsi handed over his personal computers his cell phone all of his email accounts his Twitter account and his Google account Finding no smoking gun Mueller's prosecutors blew up the meetings Dr Corsi refused to lie to the prosecutors to give them the ammunition they needed to prosecute Roger Stone and as a result he was told he would be charged with a criminal offense for lying to the FBI and the Special Prosecutor At seventy two years of age Dr Corsi was subjected to extreme mental anguish imagining that he may never see his family again as a free man Rather than conducting an honest investigation Mueller's Special Prosecutors reinforced a prefabricated narrative aiming to charge President Trump with Treason Silent No More How I Became a Political Prisoner of Mueller's Witch Hunt exposes the inner workings of this governmental escapade and clearly states why Mueller has no case against the President Dr Corsi creates a compelling case indicating that the entire matter is an investigation in search of a crime to force lying testimony from witnesses if that's what it takes to achieve Deep State political objectives

**American Injustice** John Paul Mac Isaac, 2022-11-22 This is the story of how I tried to get the

Hunter Biden laptop evidence to the authorities My life changed forever on April 12 2019 when Hunter Biden stumbled into my shop requesting data recovery from one of his liquid damaged laptops After his father announced his candidacy for president of the United States and Hunter failed to pay for and collect his computer fear for my safety grew There was paperwork in Hunter s possession giving me permission to examine and copy his data someone was going to come looking for the laptop and come looking for me Concerned that I was sitting on evidence in a criminal investigation I set out to hand everything over to the FBI But feeling betrayed by the FBI s inaction in providing the laptop as evidence during the impeachment trial I then turned to Congress and ultimately to a lawyer for the president Rudy Giuliani When the story broke Big Tech and social and mainstream media blocked the reporting I was instantly labeled as a hacker and a criminal My actions were labeled Russian disinformation and it didn t take long before people started attacking my business and my character forcing me to close my shop and flee the state
