Garry, 2023-04-13 The Power of Gratitude reflects on the experiences of Michael and Elizabeth Garry who became an inspiration in their community to reveal the secret to a life filled with the virtues we often consider unattainable Michael and Elizabeth demonstrated how true gratitude might be foundational to everything else the attribute that enables one to love without interruption serve without expectation persevere without anguish and find joy in every minute of life Gratitude is not just a thank you for a specific benefit it is a way of life Based on their lives a self improvement conference could be condensed to one sentence if you nurture an enduring gratitude and not just a thankfulness for particular events then you may find a deep joy as opposed to transitory excitements The lesson they taught find gratitude and you will find the person God meant you to be The Power of Gratitude also reflects on the divisiveness of contemporary society In ungrateful times

there can be no social peace Rivalries fueled by resentments replace the unity and generosity that flow from a culture of gratitude But when gratitude dispels fear it can inspire the courage to live in a way that fuels future gratitude
