and ongoing research in the Intro Spanish course has led to the creation of Tu mundo with a strong emphasis on the 5 C's: Communication, Culture, Connections, Comparisons, and Communities. Tu mundo delivers content in a variety of ways in order to ensure consistent course outcomes across all course formats.

- 1 Improved communication performance skills: By jumping directly into communicative practice at the beginning of every chapter, students are encouraged to immerse themselves in the experience of active learning, whether in a face-to-face or online classroom. Grammar is presented at the end of each chapter, allowing students to study at home and work through the exercises in Connect Spanish for automatic feedback.
- 2 Creating consistent learning outcomes: Tu mundo offers a powerful adaptive learning system called LearnSmart that allows students to identify grammatical structures and vocabulary words not yet mastered and to receive an individualized study program for mastering them. Students of all experience levels will benefit from using LearnSmart, which includes built-in reporting and a competitive scoreboard.
- 3 Building community and connections between students: Creating a sense of community in the face-to-face or virtual classroom is a huge part of language learning, and something that Tu mundo does implicitly. Whether students collaborate in a physical classroom or in Connect Spanish, they are provided with opportunities to engage in meaningful conversations and collaborative task-based activities. The Amigos sin fronteras, a cast of young Hispanic students that share common interests, are featured throughout the entire program and showcased in the As somos video segments. Through the Amigos sin fronteras, students are exposed to a friendly model on how to apply what they are learning to another friendly group of students, i.e., their own class. In addition, Tu mundo presents an interactive online environment that applies engaging content and task-based scenarios that enable you to practice your language skills in a fun, immersive way. Thus, students can practice Spanish in a context that is not only fun but extremely motivating.
- 4 More Culture and Comparisons coverage: Culture is so often left behind, so Tu mundo offers it throughout the program. Each chapter features a country of focus, which doubles as the home country of one of the fifteen amigos. Along with in-chapter cultural sections, every chapter of Tu mundo features a second video segment called Mi país, within Connect, narrated by the amigos themselves as they share information about their native countries. This window into the lives of the amigos provides a point of comparison for you to describe your own life.

The Mundo interactivo scenarios represent a variety of cultural contexts in which you can interact with language and culture in a way that is meaningful to you. Connect Spanish, including but not limited to the workbook, lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.
