Synchronizing Success Maren Koepf,2008 At Moreland Hills Elementary School something remarkable is taking place writes district literacy specialist Maren Koepf Across the past ten years teachers and administrators have worked together to produce a learning network supporting our students our staff and our parents Much like the once apprehensive peasants in the tale of Stone Soup folks have gradually emerged from their isolated huts of offices and classrooms to generate mutual resources solutions and innovations Through joint endeavors we created a Comprehensive Literacy System In Synchronizing Success Maren takes you on a tour of one school s winning strategy for developing an efficient and effective network of literacy support from kindergarten through fifth grade Beginning with a practical framework for continuous improvement Maren presents three guiding principles that underlie the comprehensive system continuity across practice instructional language assessment etc ongoing professional development and collaborative leadership She illustrates how applying these guiding principles extends a school s capacity for unity and innovation The book shows how school leaders can create a comprehensive literacy system throughout schools and across districts by aligning change components with a vision for literacy education and offers tried and true processes for developing job embedded professional development common literacy assessments consistent instructional frameworks prioritized curricular focus timely and targeted intervention Enriched with tools tips and planning guides for incrementally managing positive change Synchronizing Success provides literacy specialists principals and staff developers the resources and action steps necessary for designing an integrated literacy system tailor fit to their school setting Improving Student Learning One Teacher at a Time Jane E. Pollock,Laura J. Tolone,2020-12-16 In this second edition of Improving Student Learning One Teacher at a Time Jane E Pollock and Laura J Tolone combine updated research and real world stories to demonstrate how it takes only one teacher to make a difference in student performance Their approach expands the classic three part curriculum instruction assessment framework by adding one key ingredient feedback This Big Four approach offers an easy to follow process that helps teachers build better curriculum documents with Curriculum standards that are clear and well paced and describe what students will learn Instruction based in research from daily lessons to whole units of study Assessment that maximizes feedback and requires critical and creative thinking Feedback that tracks and reports individual student progress by standards Pollock and Tolone demonstrate how consistent timely feedback from multiple sources can help students monitor their own understanding and help teachers align assignments quizzes and tests more explicitly to the standards The Big Four shifts the focus away from
