The Future of Assessment Carol Anne Dwyer, 2017-09-25. text. This volume stems from the 2003 Educational Testing Service Invitational Conference that convened leading scholars and practitioners from education, psychology, economics, statistics and public policy to discuss the important topic of measurement and accountability. The chapters cover all significant aspects of the current accountability scene with careful but not exclusive attention to the No Child Left Behind act. Written by nationally recognized scholars with a mandate to write in a non technical style this volume will appeal to anyone seriously interested in school reform and the educational accountability movement.
