How To Speak And Write Correctly:

How to Speak and Write Correctly Joseph Devlin, 2016-12-03 Learn the Easy Way to Speak and Write Well I found this book by accident while browsing through a now defunct Los Angeles bookstore cafe It was the luckiest accident of my life At that point I had been a professional writer for more than twenty years but I rarely enjoyed my work and I felt all of it was disposable in one way or another At first reading this book gave me an incredible if unfamiliar feeling of joy and self confidence Afterwards I began to surprise the hell out of myself in terms of what I was able to accomplish This little book is very practical and precise The best plan is to follow the best authors and these masters of language will guide you safely along the way There are chapters devoted to all the essential components to make writing interesting Devlin delivers a concise book that allows you to start improving your speech and writing quickly Every writer should have this book as a ready reference and guide Get Your Copy Now

How to Speak and Write Correctly Joseph Devlin, 2020-08-11 It is very easy to learn how to speak and write correctly as for all purposes of ordinary conversation and communication only about 2 000 different words are required The mastery of just twenty hundred words the knowing where to place them will make us not masters of the English language but masters of correct speaking and writing Small number you will say compared with what is in the dictionary But nobody ever uses all the words in the dictionary or could use them did he live to be the age of Methuselah and there is no necessity for using them There are upwards of 200 000 words in the recent editions of the large dictionaries but the one hundredth part of this number will suffice for all your wants Of course you may think not and you may not be content to call things by their common names you may be ambitious to show superiority over others and display your learning or rather your pedantry and lack of learning For instance you may not want to call a spade a spade You may prefer to call it a spatulous device for abrading the surface of the soil Better however to stick to the old familiar simple name that your grandfather called it It has stood the test of time and old friends are always good friends [How to Speak and](#)
