

Reflection Essay

With completing the first term in the Constructed Self class, I was able to benefit from a variety of new things from the class, as well as refresh my memory on things that I already knew, just needed a reminder about.

The biggest hurdle in the class for me was time management. I am a procrastinator and always have been, so completing assignments on time was and still is a challenge for me. I have not come to a full solution to this problem yet, but I did make changes in my life as to how I can manage time management. I found that it was easier for me to focus on homework if I was outside my dorm room, because when in my dorm, I would usually mess around on the internet or take naps. I don't think realistically I will get over procrastination anytime soon, but I can manage it.

With hurdles came hidden strengths I discovered about myself. I've never thought of myself as a leader, but because the class used group thinking in more than one occasion, I found that I am a good leader. I communicate my ideas to the group while trying to balance the ideas of others so the group can come to an agreed upon decision. Obviously this can benefit me no matter what career I decide to go into, because the ability to take control of a situation and still remain diplomatic with colleagues is a valuable asset to have. Other than this, I can't think of any other strength I discovered. I

How To Start A Reflection Paper:

The Humble Essay Roy K. Humble, 2023-04-01 The Humble Essay is so much more than a writing textbook It gives you tools tips and tricks that actually explain what a writer does It doesn't sugarcoat the process or dumb down the very real challenges that entering a college writing space requires This book is more like a friend It's the kind of friend that will coach you through a tough time and encourage you and it will make you laugh while you go through it It's the kind of friend who holds your hair back when you're sick of writing and gives you the courage to try again Roy K Humble is the kind of writing teacher who understands the struggle of learning how to write like a college student and doesn't just tell you what you want to hear His lessons here are profound but in the sense that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading He writes for faculty moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build their classes Perhaps most importantly Humble understands that the price of a book matters to students so his books are affordable From every perspective Humble gets it The Humble Essay has students covered on these important topics Understanding the college essay as an idea Grasping the stages of the writing process Organizing the college essay around cohesive paragraphs Thinking for yourself as a college student Gathering and synthesizing sources and information Guiding readers through a thoughtful college essay
