

Larry Lessig On The Colbert Report

Anita Felicelli

Larry Lessig On The Colbert Report:

Bears & Balls: The Colbert Report A-Z (An Unofficial Fan Guide) Sharilyn Johnson,Remy Maisel,2014-11-09 The essential fan guide for truly dedicated members of the Colbert Nation Contains over 200 highly detailed encyclopedia style entries celebrating nine years of the Colbert Report s greatest moments obscure favorites and behind the scenes insights including Complete Colbert Super PAC play by play What really happens at a Colbert Report taping How Stephen Colbert prepares his guests to face off against his character Detailed timeline of the Daft Punk Colbchella fiasco Where uncensored versions of the show were broadcast How Colbert and his writers create The Word Is Jay the Intern really an intern What ever happened to Stephen Jr Who the heck is Jimmy Jon Stewart great bromance or greatest From the technical to the tangential Bears Balls the Colbert Report A Z covers it all and digs deep to answer questions you didn t even know you had

Lawrence Lessig: A Biography Anita Felicelli,2012-05-15 Lawrence Lessig is a well known American academic famed for his participation in the legal sphere From his battles on cyberspace law to scuffles over corruption in government Lessig has helped lead some of the most important political movements of the start of the millenium So how did a reportedly shy constitutional scholar become so influential Most famous people become well known because of their successes their time spent in public office or bestselling books they ve written or awards they ve won Ironically it s been Lessig s willingness to incur failures that have fueled his reputation as a brilliant thinker and leader

A Comedian and an Activist Walk into a Bar Caty Borum Chattoo,Lauren Feldman,2020-03-24 Comedy is a powerful contemporary source of influence and information In the still evolving digital era the opportunity to consume and share comedy has never been as available And yet despite its vast cultural imprint comedy is a little understood vehicle for serious public engagement in urgent social justice issues even though humor offers frames of hope and optimism that can encourage participation in social problems Moreover in the midst of a merger of entertainment and news in the contemporary information ecology and a decline in perceptions of trust in government and traditional media institutions comedy may be a unique force for change in pressing social justice challenges Comedians who say something serious about the world while they make us laugh are capable of mobilizing the masses focusing a critical lens on injustices and injecting hope and optimism into seemingly hopeless problems By combining communication and social justice frameworks with contemporary comedy examples authors Caty Borum Chattoo and Lauren Feldman show us how comedy can help to serve as a vehicle of change Through rich case studies audience research and interviews with comedians and social justice leaders and strategists A Comedian and an Activist Walk Into a Bar The Serious Role of Comedy in Social Justice explains how comedy both in the entertainment marketplace and as cultural strategy can engage audiences with issues such as global poverty climate change immigration and sexual assault and how activists work with comedy to reach and empower publics in the networked participatory digital media age

The Routledge Companion to Remix Studies Eduardo Navas,Owen Gallagher,xtime burrough,2014-11-27 The Routledge Companion to

Remix Studies comprises contemporary texts by key authors and artists who are active in the emerging field of remix studies. As an organic international movement, remix culture originated in the popular music culture of the 1970s and has since grown into a rich cultural activity encompassing numerous forms of media. The act of recombining pre-existing material brings up pressing questions of authenticity, reception, authorship, copyright, and the techno-politics of media activism. This book approaches remix studies from various angles, including sections on history, aesthetics, ethics, politics, and practice, and presents theoretical chapters alongside case studies of remix projects. The Routledge Companion to Remix Studies is a valuable resource for both researchers and remix practitioners as well as a teaching tool for instructors using remix practices in the classroom.

Copyright Clarity Renee Hobbs, 2010-04-07 Today educators and students have access to a vast, rich array of online materials that can be used for instruction, but these resources often remain untapped because of confusion over copyright laws.

Uncertain Justice Laurence Tribe, Joshua Matz, 2014-06-03 Illuminating Tribe and Matz offer well-crafted overviews of key cases decided by the Roberts Court and chart the Supreme Court's conservative path. Chicago Tribune: From Citizens United to its momentous rulings regarding Obamacare and gay marriage, the Supreme Court under Chief Justice John Roberts has profoundly affected American life. Yet the court remains a mysterious institution, and the motivations of the nine men and women who serve for life are often obscure. In *Uncertain Justice*, Laurence Tribe and Joshua Matz show the surprising extent to which the Roberts Court is revising the meaning of our Constitution. Political gridlock, cultural change, and technological progress mean that the court's decisions on key topics, including free speech, privacy, voting rights, and presidential power, could be uniquely durable. Acutely aware of their opportunity, the justices are rewriting critical aspects of constitutional law and redrawing the ground rules of American government. Tribe, one of the country's leading constitutional lawyers, and Matz dig deeply into the court's rulings, stepping beyond tired debates over judicial activism to draw out hidden meanings and silent battles. The undercurrents they reveal suggest a strikingly different vision for the future of our country, one that is sure to be hotly debated. Filled with original insights and compelling human stories, *Uncertain Justice* illuminates the most colorful story of all: how the Supreme Court and the Constitution frame the way we live. A brilliantly layered account, filled with memorable stories and striking references to literature, baseball, and popular culture, this book is a joy to read from start to finish. Doris Kearns Goodwin, Pulitzer Prize winner and 1 New York Times bestselling author of *Team of Rivals*. Well-written and highly readable. The strength of the book is its painstaking explanation of all sides of the critical cases, giving full voice and weight to conservative and liberal views alike. The Washington Post.

Freeloading Chris Ruen, 2012-12 The original slacker's dream of free everything has been realized by the Internet, but along with it came the slacker's nightmare of never getting paid for one's creativity. *Freeloading* seeks and, to a large extent, succeeds in wrestling with the collapse of the commons and the possibilities for a renewed social contract. Douglas Rushkoff.

The Boy Who Could Change the World Aaron Swartz, 2016-01-05 Winner of the Ida and Studs Terkel Prize. In his too short life, Aaron

Swartz reshaped the Internet questioned our assumptions about intellectual property and touched all of us in ways that we may not even realize His tragic suicide in 2013 at the age of twenty six after being aggressively prosecuted for copyright infringement shocked the nation and the world Here for the first time in print is revealed the quintessential Aaron Swartz besides being a technical genius and a passionate activist he was also an insightful compelling and cutting essayist With a technical understanding of the Internet and of intellectual property law surpassing that of many seasoned professionals he wrote thoughtfully and humorously about intellectual property copyright and the architecture of the Internet He wrote as well about unexpected topics such as pop culture politics both electoral and idealistic dieting and lifehacking Including three in depth and previously unpublished essays about education governance and cities *The Boy Who Could Change the World* contains the life s work of one of the most original minds of our time

Campaign Finance and American Democracy
David M. Primo, Jeffrey D. Milyo, 2020-10-19 In recent decades and particularly since the US Supreme Court s controversial Citizens United decision lawmakers and other elites have told Americans that stricter campaign finance laws are needed to improve faith in the elections process increase trust in the government and counter cynicism toward politics But as David M Primo and Jeffrey D Milyo argue politicians and the public alike should reconsider the conventional wisdom in light of surprising and comprehensive empirical evidence to the contrary Primo and Milyo probe original survey data to determine Americans sentiments on the role of money in politics what drives these sentiments and why they matter What Primo and Milyo find is that while many individuals support the idea of reform they are also skeptical that reform would successfully limit corruption which Americans believe stains almost every fiber of the political system Moreover support for campaign finance restrictions is deeply divided along party lines reflecting the polarization of our times Ultimately Primo and Milyo contend American attitudes toward money in politics reflect larger fears about the health of American democracy fears that will not be allayed by campaign finance reform

The State of Copyright Debora Halbert, 2014-02-05 This book seeks to make an intervention into the ongoing debate about the scope and intensity of global copyright laws While mapping out the primary actors in the context of globalization and the modern political economy of information ownership the argument is made that alternatives to further expansion of copyright are necessary By examining the multiple and competing interests in creating the legal regime of copyright law this books attempts to map the political economy of copyright in the information age critique the concentration of ownership that is intrinsic in the status quo and provide an assessment of the state of the contemporary global copyright landscape and its futures It draws upon the current narratives of copyright as produced by corporate government and political actors and frames these narratives as language games within a global political project to define how information and culture will be shared and exchanged in the future The text problematizes the relationship of the state to culture comments on the global flows of culture and critiques the regulatory apparatus that is in place to commodify culture and align it with the contemporary nation state In the end the possibility of non commodified and more open futures

are explored The State of Copyright will be of particular interest for students and scholars of international political economy law political science anthropology sociology cultural studies library sciences and communication studies It also will appeal to a growing popular audience that has taken an interest in the issues of copyright
