Dig Deeper:

19. Early in his story, Marlow says most people don't know the hardships and temptations of isolation because they have people around them and social structure. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. Teaching Modernist Anglophone Literature, 2018-08-13 *Teaching Modernist Anglophone Literature* features fresh classroom approaches to teaching modernism with an emphasis on pedagogy grounded in educational theory and contemporary digital media tools. It offers techniques for improving students' close reading, critical thinking, writing, and engagement with issues of gender, race, class, and social justice. Discussions are raised of subjectivity, perception, the nature of language, and the function of art. Innovative project ideas, assignments, and examples of student work are offered in a special annex. This volume fills a gap in higher education pedagogy uniquely suited to the experimental nature of modernism. Madden and McKenzie's inspiring volume can steer the teaching of modernist literature in creative new directions that benefit both teachers and students. Contributors are Susan Hays, Bussey, William A. Johnsen, Benjamin Johnson, Mary C. Madden, Laci Mattison, Precious McKenzie, Susan Rowland, and Kelsey Squire.

Heart of Darkness: SAT Words From Literature Joseph Conrad, 2007 *SAT Words from Literature* presents a new approach to scoring high on the Scholastic Aptitude Test. Rather than taking words directly from a dictionary and studying them, *SAT Words from Literature* presents vocabulary words that are found in classic literature in their original context. In this way, you will get a clear understanding of what the word can do in a sentence, what it might mean, and how it is used. Each vocabulary word is highlighted in the text and also reproduced in bold on the facing page. The entry concludes with the word's part of speech as it is used in the book, its pronunciation, and an appropriate definition with a synonym or antonym if applicable. Exercises that test your understanding of the vocabulary words are included at the end of the book. To make the exercises more manageable, words are arranged by chapters or sections so that there are not too many words in any one group. We hope that your understanding of vocabulary is increased and that your score on the SAT will be improved by using this book.
