*Sustaining Your Prophetic Gift* John Eckhardt,2017-07-04 Sharpen and sustain your prophetic gift and learn strategies for speaking the Word of God with confidence There is a prophetic remnant rising up in the earth who want to be called out trained and activated in their gift to hear God s voice and deliver His messages to His people and they must not grow weary Best selling author John Eckhardt provides encouragement for those who operate in their prophetic gift to endure and continue to be a mouthpiece for the kingdom of God      *Handbook of Christian Prophetism in Africa* ,2025-08-14 More than

half a century has passed since the first monographs on African Christian prophetism were published. The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity. The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing, sometimes even to the neglect of the use of bio medical resources. The developments have been interrogated in religious studies, theology and the sociology and psychology of religion, showing how important these churches have been in the African public sphere.

**A Manual of Hadith** Maulana Muhammad, 2021-05-28. Hadith are oral traditions relating to the words and deeds of the Islamic prophet Muhammad. Hadith collections are regarded as important tools for determining the Sunnah or Muslim way of life by all traditional schools of jurisprudence. There are many collections of Hadith traditions and sayings of the Prophet and other Islamic leaders as well as English translations of them. The Hadith provided below are from **A Manual of Hadith**, a collection and translation by Maulana Muhammad Ali in 1944. These were chosen primarily for their availability and respectability and should serve to provide non Muslims with an introduction to the contents of Hadith.
