

College Board Will No Longer Offer SAT Subject Tests or SAT with Essay

COLLEGE BOARD

January 19, 2021

As students and colleges adapt to new realities and changes to the college admissions process, College Board is making sure our programs adapt with them. We're making some changes to reduce demands on students.

We are no longer offering SAT Subject TestsSM in the U.S. Because SAT Subject Tests are used internationally for a wider variety of purposes, we'll provide two more administrations, in May and June of 2021, for international students.

- Students currently registered for an upcoming Subject Test in the U.S. will automatically have their registration canceled and fees refunded.
- Students who are currently registered for, or plan to register for, an upcoming Subject Test outside the U.S. can still test through the June 2021 administration. Students who no longer want to take Subject Tests can contact Customer Service to cancel and receive a refund.

We've reached out to our member colleges and they'll decide whether and how to consider students' Subject Test scores. Students should check colleges' websites for the most up-to-date information on their application policies.
