Fortunes Of France The Brethren:

The Brethren Robert Merle, 2015-03-03 The first novel in the adventure filled epic Fortunes of France one of France's best loved historical fiction series now translated into English for the first time The Perigord of 16th century France is a wild region on the edge of the reaches of royal authority To this beautiful but dangerous country come two veterans of the French king's wars Jean de Siorac and Jean de Sauveterre The Brethren as fiercely loyal to the crown as they are to their Huguenot religion They make their home in the formidable chateau of Mespech and the community they found prospers We meet the fiery Isabelle mistress of the castle refusing to renounce her religious beliefs despite great pressure the petty and meal mouthed Francois unlikely heir to the estate the brave and loyal Jonas who lives in a cave and keeps a wolf as a pet the swaggering soldier Cabusse and the outrageously superstitious Maligou and Sarrazine who once roamed as part of a wild gypsy band But the country is descending into chaos plagued by religious strife famine pestilence bands of robbers and of course the English The Brethren must use all their wits to protect those they love from the chaos that threatens to sweep them away A sprawling earthy tale of violence and lust love and death political intrigue and dazzling philosophical debate The Brethren is the first step in an engrossing saga to rival Dumas Flashman and Game of Thrones *Fortunes of France*

Robert Merle, 2014 A poetic evocation of the French diplomat's encounters and experiences filtered through the one constant in his life Venice Diplomat writer and poet traveller and socialite friend of Proust Giraudoux and Malraux Paul Morand was out of the most original writers of the twentieth century He was French literature's globe trotter and his delightful autobiography is far from being yet another account of a writer's life Instead it is a poetic evocation of certain scenes among Morand's rich and varied encounters and experience filtered through the one constant in his life the one place to which he would always return Venice Admired both by Ezra Pound and by Marcel Proust as a pioneer craftsman of Modernist French prose The sheer shapeliness of his prose recalls Hemingway the urbanity of his self destructiveness compares with Fitzgerald's and his camera eye is as lucidly stroboscopic as that of Dos Passos He is like Victor Segalen Blaise Cendrars Valery Larbaud and Saint John Perse one of the great nomads of 20th century French literature racing through the apocalypse with the haste and glamor of an Orient Express It is a pity we should have had to wait this long to catch up with him The New York Times Venice is balanced by the sharpness of the imagery He writes in a melancholy vein of the loves jealousies and regrets he has experienced in Venice Exquisitely translated Venice is a travel memoir of the highest order IAN THOMSON Sunday Times
