Frankincense And Myrrh Perfume Recipe:

Hippocratic Recipes Laurence M. V. Totelin, 2009 Drawing on philological studies social history and anthropology this book offers the first extended study of the recipes included in the Hippocratic Corpus It examines the links between oral and written traditions in the transmission of ancient pharmacological knowledge

Food for the Gods D. P. S. Peacock, A. C. S. Peacock, David Williams, 2006-12-21 The story of incense is one of the most intriguing in both eastern and western culture From the first millennium BC to the present day it has been sought after and valued on a par with precious metals or gems Although incense was a luxury it was consumed in prodigious quantities by the ancient world in temples and at funerals but also in private homes The papers in this volume look at the role of incense primarily though not exclusively during the Roman period It is hoped that they will provide a starting point for further research into this important but neglected area of social and economic archaeology

New Perfume Handbook N. Groom, 1997-06-30 The first edition of this unique book established itself as an unparalleled source of information on perfume Although it is primarily aimed at perfumers and others in the perfume industry it has also found substantial sales among a wide range of others including aromatherapists botanists and many others who wanted to learn more about this faceted subject The new edition is now aimed squarely at perfumery marketing specialists and others in the industry world wide and covers in particular the needs of publicity advertising teams and journalists together with sales people and consultants at the counters who like to have a wide range of information at their fingertips Changes include an expansion of the number of profiles of the perfume houses and of the 50 or so new perfumes worthy of record which have been launched since the previous edition There is also increased coverage of the essences and the plants and other material from which they are derived Coverage of perfume containers is substantially expanded and linked to other parts of the book

Ancient Concepts of the Hippocratic Lesley Dean-Jones, Ralph M. Rosen, 2015-10-20 In *Ancient Concepts of the Hippocratic* Lesley Dean Jones and Ralph Rosen have gathered 19 international authorities in ancient medicine to identify commonalities among the treatises of the Hippocratic Corpus which led scholars of antiquity to group them under the single name of Hippocrates Most recent scholarship has drawn attention to the divergences between individual treatises and groups of treatises emphasizing the agonistic facet of the ancient medical profession In contrast in this volume contributors look to find points of agreement between the writings that go beyond claims of rationality Topics considered include ontological claims about the discipline of medicine itself the view of the patient as a perceiving unity theories on the function of glands and the importance of regimen

[How to Live Like an Egyptian Mummy Maker](#) John Farndon, 2016-08-01 Travel down the Nile and into the heart of an ancient tomb with young Neferu who is training to mummify a great pharaoh Look over his shoulder to witness the dog headed Anubis weighing the heart of a corpse or the brains being removed and the body wrapped Unlock the secrets and rituals as you see how to prepare for the afterlife in Ancient Egypt more than three thousand years ago But make sure to keep safe by using spells

from the Book of the Dead **A Lotus to Love** Shelley Kassian,2025-01-07 From bestselling Amazon author Shelley Kassian comes A Lotus to Love the third book in the Places in the Heart series A perfumer searching for a lost scent finds an unexpected connection with her tour guide in this heartfelt second chance romance Perfumer Portia Ross is haunted by grief and loneliness after the devastating loss of her husband Though her career once flourished her sorrow clouds her future In a bid to heal and reclaim her sense of purpose she embarks on a journey to Egypt determined to uncover the secrets of Cleopatra s legendary perfume and perhaps some of the queen s strength along the way As Portia follows an ancient scent trail hidden within temple walls and desert flora she confronts her deepest fears with the help of a man who kindles desires she thought were lost forever Nadir weary of the monotony of his tour guide business steps in when his archaeologist friend declines the job Though not the expert Portia expected Nadir guides her through Egypt s mesmerizing temples and desert landscapes offering unexpected insights and a strength reminiscent of Cleopatra s greatest love Mark Antony As their connection deepens his childhood trauma as an orphan and his unwavering faith resonates with Portia s grief forging a profound emotional bond But as their bond grows and more discoveries are made the secrets Nadir harbors threaten to unravel the blossoming romance between them In the sands of Egypt where ancient fragrances linger will Portia unearth Cleopatra s long lost perfume or will a new scent love bloom in the desert Praise for A Lotus to Love A sumptuous international romance that tantalizes both the senses and the heartstrings Written with visceral and sensorial prose that brings both this faraway location and fascinating world of perfume to life this is a touching and engrossing novel about grieving healing and relearning how to trust SPR The Review Group *Artifacts from Ancient Egypt* Barbara Mendoza,2017-10-05 Primary source documents and detailed entries reveal what ancient Egypt was like using the objects and artifacts of daily life from the period covering the Predynastic era through the Gr co Roman period 5000 BCE to 300 CE Historians have found that valuable knowledge about long ago civilizations can be derived from examining the simple routines of daily life This fascinating study presents a collection of everyday objects and artifacts from ancient Egypt shedding light on the social life and culture of ancient Egyptians The work starts with a popular notion of ancient Egyptian beauty and gradually moves on to address various aspects of life including home work communication and transition and afterlife Organized by topics the work contains the following sections beauty adornment and clothing household items furniture and games food and drink tools and weapons literacy and writing death and funerary equipment and religion ritual and magic Each object holds equal importance and dates from the Predynastic era to the Gr co Roman period of ancient Egypt 5000 BCE to 300 CE A special section provides guidance on evaluating objects and artifacts by asking questions Who created it Who used it What did it do what was its purpose When and where was it made Why was it made to help assess the historical context of the object *The Scent of Ancient Magic* Britta K. Ager,2022-04-27 Magic was a fundamental part of the Greco Roman world Curses erotic spells healing charms divination and other supernatural methods of trying to change

the universe were everyday methods of coping with the difficulties of life in antiquity While ancient magic is most often studied through texts like surviving Greco Egyptian spellbooks and artifacts like lead curse tablets for a Greek or Roman magician a ritual was a rich sensual experience full of unusual tastes smells textures and sounds bright colors and sensations like fasting and sleeplessness Greco Roman magical rituals were particularly dominated by the sense of smell both fragrant smells and foul odors Ritual practitioners surrounded themselves with clouds of fragrant incense and perfume to create a sweet and inviting atmosphere for contact with the divine and to alter their own perceptions they also used odors as an instrumental weapon to attack enemies and command the gods Elsewhere odiferous herbs were used equally as medical cures and magical ingredients In literature scent and magic became intertwined as metaphors with fragrant spells representing the dangers of sensual perfumes and conversely smells acting as a visceral way of envisioning the mysterious action of magic The Scent of Ancient Magic explores the complex interconnection of scent and magic in the Greco Roman world between 800 BCE and CE 600 drawing on ancient literature and the modern study of the senses to examine the sensory depth and richness of ancient magic Author Britta K Ager looks at how ancient magicians used scents as part of their spells to put themselves in the right mindset for an encounter with a god or to attack their enemies through scent Ager also examines the magicians who appear in ancient fiction like Medea and Circe and the more metaphorical ways in which their spells are confused with perfumes and herbs This book brings together recent scholarship on ancient magic from classical studies and on scent from the interdisciplinary field of sensory studies in order to examine how practicing ancient magicians used scents for ritual purposes how scent and magic were conceptually related in ancient literature and culture and how the assumption that strong scents convey powerful effects of various sorts was also found in related areas like ancient medical practices and normative religious ritual
