

MEMORIZATION TIPS

IDEAS FOR EACH LEARNING STYLE

Social vs. Solitary

Some learn better in a quiet environment, on their own. Others thrive when learning with others. Know what works for you.

PHYSICAL/ KINESTHETIC

Associate movements with words. $2+2=4$ is repeated while jumping. $3+3=6$ is repeated while jogging in place. Repeating facts, with the same movements, to memorize.

VISUAL

See the facts or lines repeatedly by writing them on windows or mirrors. (With special markers.) Print facts off on paper and hang in the car. Include pictures whenever possible.

LOGICAL / MATHEMATICAL

Focus on the order. Type or handwrite out the words, then cut them out into individual pieces. To work on memorizing, put the parts into the correct order.

VERBAL

Instead of simply repeating out loud, work on saying every other word. Go back and forth with every other word, or fact, with a partner.

MUSICAL / AUDITORY

Put words to tunes that are easy to remember and common. Think nursery rhymes and songs.
