Human Resource Management R. C. Sharma, Nipun Sharma, 2024-09-30 This textbook introduces readers to an array of concepts and current practices of human resource management (HRM). It provides an understanding of the current problems in the area that require pragmatic research and realistic solutions. Using a blend of diverse concepts, theories, tools and techniques, the book discusses contemporary practices of HRM and the challenges related to acquiring and training people, human resource development, compensation and reward, employee relations, technological changes, HR records audit, research and more. Supported by the authors' rich experience of over five decades in academics as well as in the corporate sector and case studies, the book will enhance conceptual understanding of HRM, throw light on recent developments in this subject area and offer management strategies for problems and challenges related to human resources. This book will be an essential textbook for students, professionals, corporate trainers and researchers of business studies, management studies, marketing, human resource management, resource management, work and organisational psychology, human resource development, risk management, economics and finance.

Human Resource Management: Text & Cases, 2nd Edition Pande Sharon & Basak Swapnalekha, 2015 In a constantly evolving service-led Indian economy, human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. Human Resource Management: Text and Cases 2e explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day-to-day basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM which capture the evolving challenges in the field. The authors have used their extensive real-world work experience in talent acquisition and human resource development and retention to provide a lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners.
