**BOTSWANA** Oagile Bethuel Key Dingake, 2022-09-03 This book discusses the law related to unfair dismissal in Botswana It makes it clear that an employer is not free to dismiss an employee whenever they feel like doing it The law requires that an employee may only be dismissed for a valid reason and even then a fair procedure must be followed It follows from the above that a dismissal would be unfair if there is no valid reason or fair procedure or both The principle of fairness is unique to labour law and does not necessarily apply to other areas of the law such as the law of contract Misconduct is the most common reason for dismissal but there are also other grounds such as poor performance at work redundancy incompatibility and incapacity which attract their own requirements This book by a former leading judge of the Industrial Court of Botswana is easily the most authoritative on the subject to date in the context of Botswana It is a useful practical guide to employees employers trade unions employers organizations HR practitioners and law students      **The Contract of Employment** Mark Freedland, Alan Bogg, David Cabrelli, Hugh Collins, Nicola Countouris, A.
