The Jacket

Andrew Clements

Chapter 1: Collision Course

1. Phil was looking for his brother to give him the lunch money he forgot. The mix-up occurred when Phil mistook Daniel for his brother because Daniel was wearing a jacket identical to his brother's, leading Phil to initially believe Daniel had stolen it.
2. Phil reacted angrily when he learned the truth about the jacket, ripping it off and throwing it at Daniel. This reveals Phil's quickness to judge and his struggle to accept his mistake, highlighting his initial lack of empathy and understanding.
3. This question encourages students to reflect on their own actions and empathy towards others, promoting a discussion on understanding and correcting mistakes.
