my general level of sharpness says GM Daniel Naroditsky GM Ramesh is one of the world's most successful coaches. He has trained many of India's top talents at all stages of their development on their journey to become International Masters and Grandmasters. Ramesh understands what mistakes players can make while calculating. He knows that the best move in a specific position may be the opposite of what your intuition is urging you to play. And he serves you the exercises to correct these misconceptions and start finding the right solutions. Every chess player will benefit from the hundreds of exercises in this book. Coach Ramesh will take your calculation skills from a club player's level to grandmaster level.
