Foundation School Manual Pastor Chris Oyakhilome:

Christian Foundation School Benedict Hardenberg, 2017 **Foundations** Billy Henderson, 2012-09-19 This manual is designed to bring Christians into a solid foundation in the Lord Jesus Christ It is not written in book form but in outline form The reason for this is simple the desire for this volume is that it would help you get into the Word itself to see what it has to say about God and His ways The questions are in two parts The first set Important Points are designed to help you remember specific truths about the scripture The second set of questions Personal Application is designed to help you apply the truths of these scriptures to your own life You should first of all go through each study thoroughly before looking at the questions Then go through the study again to answer the Important Points being careful to use scripture references Finally only a brief review of the major headlines is needed to answer the Personal Application In using this manual you should go through point by point with your Bible open You should look up all the scripture references and mark the most outstanding ones to your own life with a pen The back of each page was left blank for you to use as a place to write notes Summed up in one word the Christian life can be defined as relationship It first begins with God loving us and making relationship with Him possible When we accept that offer and desire to walk with Him the second stage of relationship is completed The third aspect of relationship can be seen as horizontal that is between people This manual will explore the extension of God's plan of salvation to man in the first section The second section will deal with how a man cultivates relationship with God The last section on the church and evangelism deals with relationship between people **Cornerstone Foundation Manual**

Michael Freeman, 2013-03-19 Laying the foundation for a spiritual house for God to inhabit in the person of the Holy Spirit is the purpose of the Cornerstone Foundation Manual Being God's temple is what the church is and what we are Whether used in individual or corporate study personal discipleship or church growth group study or church planting the Cornerstone Foundation Manual will assist you in laying the proper foundation to build that spiritual house The Cornerstone Foundation Manual is a foundational synergism wherein all the studies taken together in their order produces a greater impact and overall total effect than taking the lessons randomly Each study is designed to overlap the previous study and interlock with the upcoming study building God's house brick by brick line upon line precept upon precept here a little and there a little
