MULTIPLE CHOICE

Riding the Waves

It was a sunny day at the beach, and the waves were ideal for surfing. A group of friends, including a boy named Max, had decided to enter a surfing competition that was happening that day. He then walked down to the beach, they could see the other contestants already out in the sea riding the waves and showing off their abilities.

Max and his friends quickly set up their equipment and pulled out to the beach. The contest was divided into heats. Max was in the initial one. He waited for his turn, he could feel his heart pounding with anticipation and nerves. When it was his turn to surf, Max paddled as hard as he could to catch the first wave.

He made the wave, and the audience cheered as he performed a series of turns and maneuvers. The audience cheered as he performed well in their heats, but it was Max who took the first-place trophy. They would display at the local surf shop as proof of his achievement.
