Fragments From France Wwi Centenary Series:

Fragments from France (WWI Centenary Series) Bruce Bairnsfather, 2014-05-21 I hope that this forecast is a true one If this sketch book is worthy to outlast the days of the war and to be kept for remembrance on the shelves of those who have lived through it it will have done its bit For will it not be a standing reminder of the ingloriousness of war its preposterous absurdity and of its futility as a means of settling the affairs of nations This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context *Letters from France (WWI Centenary Series)* C. E. W.

Bean, 2016-03-10 These letters are in no sense a history except that they contain the truth They were written at the time and within close range of the events they describe Half of the fighting including the brave attack before Fromelles is left untouched on for these pages do not attempt to narrate the full story of the Australian Imperial Force in France They were written to depict the surroundings in which and the spirit with which that history has been made first in the quiet green Flemish lowlands then with a swift sudden plunge into the grim reeking naked desolation of the Somme This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context *Bullets & Billets (WWI Centenary Series)*

Bruce Bairnsfather, 2016-03-10 Down South in the Valley of the Somme far from the spots recorded in this book I began to write this story In billets it was I strolled across the old farmyard and into the wood beyond Sitting by a gurgling little stream I began with the aid of a notebook and a pencil to record the joys and sorrows of my first six months in France I do not claim any unique quality for these experiences Many thousands have had the same I have merely by request made a record of my times out there in the way that they appeared to me This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context *With Our Soldiers in France (WWI Centenary Series)* Sherwood Eddy, 2016-03-10 These brief sketches are only fragmentary and have of necessity been hastily written The writer has been asked to state his impression of the work among the men in France He did not go there to write but to work He has tried simply to state what he saw and to leave the reader to draw his own conclusions A mere statement of the grim facts at the front if they are not

sugar coated or glossed over may not be pleasant reading but it is unfair to those at home that they should not know the hard truth of the reality of things as they are This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

With the Doughboy in France (WWI Centenary Series) Edward Hungerford,2016-03-10 This early work by Edward Hungerford was originally published in 1920 and we are now republishing it as part of our WWI Centenary Series With the Doughboy in France is a history of the American forces in France during World War One It especially focusses on the work of the Red Cross and their organisation and operation It includes chapters titled The American Red Cross as a Department Store Our Red Cross Performs Its Supreme Mission When Johnny Came Marching Home and many more This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

The Lafayette Flying Corps - Volume 1 (WWI Centenary Series) James Norman Hall,Charles Bernhard Nordhoff,2016-10-05 It seemed necessary that some record of the accomplishment of the Lafayette Corps be set down not only for the pleasure of the men who were a part of it but the others in later days might not forget these volunteers who were among the first Americans to go to the aid of France at a time of great need This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Sky Fighters of France (WWI Centenary Series) Lieutenant Henry Farre,2020-07-14 Originally published in 1919 this is a work written by a French Lieutenant about his observations and experiences of aerial warfare during the First World War This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Victor Chapman's Letters from France (WWI Centenary Series) Victor Chapman,2021-06-28 This work is a collection of letters by the French American pilot Victor Chapman Chapman earned many medals during his service and was one of the founding members of the Lafayette Escadrille He was the first American pilot to die in the First World War after

being shot down by German ace Kurt Wintgens This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context *How I Filmed the War (WWI Centenary Series)* Geoffrey H. Malins,2020-07-14 In the following chapters I have merely aimed at setting down in simple language a record of my impressions so far as I can recall them of what I have seen of many and varied phases of the Great Drama which has now been played to a finish on the other side of the English Channel Most of those recollections were penned at odd moments soon after the events chronicled when they were still fresh in mind often within range of the guns It was my good fortune for two years to be one of the Official War Office Kinematographers I was privileged to move about on the Western Front with considerable freedom My actions were largely untrammelled I had my instructions to carry out my superiors to satisfy my work to do and I endeavoured to do all that has been required of me to the best of my ability never thinking of the cost or consequences to myself of an adventure so long as I secured a pictorial record of the deeds of our heroic Army in France This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context France at War: On the Frontier of Civilization (WWI Centenary Series) Rudyard Kipling,2016-03-10 France at War is an extremely interesting collection of writings by the celebrated author Rudyard Kipling It was originally published in 1915 and gives an excellent insight into the contemporary views of the First World War This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Gallipoli Diary, Volume I. (WWI Centenary Series) Ian Hamilton,2016-03-10 Only constant observation of civilian Judges and soldier witnesses could have shown me how fallible is the unaided military memory or have led me by three steps to a War Diary 1 There is nothing certain about war except that one side won t win 2 The winner is asked no questions the loser has to answer for everything 3 Soldiers think of nothing so little as failure and yet to the extent of fixing intentions orders facts dates firmly in their own minds they ought to be prepared Conclusion In war keep your own counsel preferably in a note book This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the

world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Private Peat (WWI Centenary Series) Harold R. Peat, 2021-01-08 In this record of my experiences as a private in the great war I have tried to put the emphasis on the things that seemed to me important It is true I set out to write a book of smiles but the seriousness of it all came back to me and crept into my pages Yet I hope along with the grimness and the humor I have been able to say some words of cheer and comfort to those in the United States who are sending their husbands their sons and brothers into this mighty conflict The book unsatisfactory as it is to me now that it is finished at least holds my honest and long considered opinions It was not written until I could view my experiences objectively until I was sure in my own mind that the judgments I had formed were sane and sound I give it to the public now hoping that something new will be found in it despite the many personal narratives that have gone before and confident that out of that public the many friends I have made while lecturing over the country will look on it with a lenient and a kindly eye This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

A Yankee in the Trenches (WWI Centenary Series) Robert Derby Holmes, 2020-07-14 I have tried as an American in writing this book to give the public a complete view of the trenches and life on the Western Front as it appeared to me and also my impression of conditions and men as I found them It has been a pleasure to write it and now that I have finished I am genuinely sorry that I cannot go further On the lecture tour I find that people ask me questions and I have tried in this book to give in detail many things about the quieter side of war that to an audience would seem too tame I feel that the public want to know how the soldiers live when not in the trenches for all the time out there is not spent in killing and carnage As in the case of all men in the trenches I heard things and stories that especially impressed me so I have written them as hearsay not taking to myself credit as their originator I trust that the reader will find as much joy in the cockney character as I did and which I have tried to show the public let me say now that no finer body of men than those Bermondsey boys of my battalion could be found R Derby Holmes Corporal of the 22d London Battalion of the Queen's Royal West Surrey Regiment This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Now It Can Be Told (WWI Centenary Series) Philip Gibbs, 2016-03-10 In this book I have written about some aspects of the war which I believe the world must know and remember not only as a

memorial of men's courage in tragic years but as a warning of what will happen again surely if a heritage of evil and of folly is not cut out of the hearts of peoples Here it is the reality of modern warfare not only as it appears to British soldiers of whom I can tell but to soldiers on all the fronts where conditions were the same This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

En L'Air (WWI Centenary Series) Bert Hall, 2020-10-16 This book is the amazing story told in his own words of an American who fought in the French Army from the Second day after the war was declared in 1914 until the present time His service included also special duty on the Russian front The title En L'Air familiar to many American readers is the command given aviators in the French Army to leave the ground on the duty to which they have been assigned This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Between the Lines (WWI Centenary Series) Boyd Cable, 2020-07-14 This book all of which has been written at the Front within sound of the German guns and for the most part within shell and rifle range is an attempt to tell something of the manner of struggle that has gone on for months between the lines along the Western Front and more especially of what lies behind and goes to the making of those curt and vague terms in the war communiqués I think that our people at Home will be glad to know more and ought to know more of what these bald phrases may actually signify when in the other sense we read between the lines This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

George Guynemer, Knight of the Air (WWI Centenary Series) Henry Bordeaux, 2020-09-17 Originally published in 1918 this work describes the life of the French pilot and fighter ace George Guynemer The biography which I have attempted to write seeks the soul for its object rather than the motor and the soul too has its wings This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Mr. Punch's History of the Great War

(*WWI Centenary Series*) Charles L. Graves, 2016-03-10 This early work by Charles L Graves was originally published in 1919 and we are now republishing it as part of our WWI Centenary Series Mr Punch's History of the Great War is a classic work of intelligent and witty satire It is complete with wonderful cartoon illustrations and tells the story of Mr Punch's exploits during the Great War This is perfect for anyone with a love of the Punch series This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context **Gallipoli Diary, Volume II. (WWI Centenary Series)** Ian

Hamilton, 2016-03-10 Only constant observation of civilian Judges and soldier witnesses could have shown me how fallible is the unaided military memory or have led me by three steps to a War Diary 1 There is nothing certain about war except that one side won't win 2 The winner is asked no questions the loser has to answer for everything 3 Soldiers think of nothing so little as failure and yet to the extent of fixing intentions orders facts dates firmly in their own minds they ought to be prepared Conclusion In war keep your own counsel preferably in a note book This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context **My Four Years in Germany (WWI Centenary Series)** James W.

Gerard, 2020-12-01 I want to bring home to our people the gravity of the situation because I want to tell them that the military and naval power of the German Empire is unbroken that of the twelve million men whom the Kaiser has called to the colours but one million five hundred thousand have been killed five hundred thousand permanently disabled not more than five hundred thousand are prisoners of war and about five hundred thousand constitute the number of wounded or those on the sick list of each day leaving at all times about nine million effectives under arms I state these figures because Americans do not grasp either the magnitude or the importance of this war Perhaps the statement that over five million prisoners of war are held in the various countries will bring home to Americans the enormous mass of men engaged James W Gerard Late U S Ambassador to the German Imperial Court This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Fragments From France Wwi Centenary Series Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Fragments From France Wwi Centenary Series free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Fragments From France Wwi Centenary Series free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Fragments From France Wwi

Centenary Series free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Fragments From France Wwi Centenary Series. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Fragments From France Wwi Centenary Series any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Fragments From France Wwi Centenary Series Books

1. Where can I buy Fragments From France Wwi Centenary Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Fragments From France Wwi Centenary Series book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
