

ANSWER KEY: LIMITS TO GOVERNMENT

1) In Antium, citizens are looking forward to the upcoming elections. There's nothing written down, but traditionally, everyone has the right to vote. They will be electing a new president and Leadership Council, as they've always done every three years. People are hoping the new leaders will do something about the broken judicial system, because laws are not being enforced. Many citizens don't like that some candidates are from the unpopular ProNoise group, but Antium has a strong tradition of respecting everyone's rights.

2) Portova has a Document of Power (DoP) that tells how the government works. The DoP splits power among a Queen, a High Council, and thirty Justice Officers. It requires all government officials to follow the law. The Queen comes from the Royal Family, members of the High Council are chosen by drawing straws, and Justice Officers are chosen by lottery. The High Council has the power to dethrone the queen, and the Justice Officers can remove members of the High Council. The DoP says Justice Officers may decide whose rights will be respected.

Limits that are missing:

☐ Constitution ☐ Rule of Law ☒ Minority Rights
☒ Consent of the Governed ☐ Separation of Power
