

The background of the cover is a photograph of a woman with long dark hair, wearing a dark suit, running across a rooftop or balcony. She is moving away from the viewer towards the right. The ground is made of dark wooden planks. In the background, a city skyline with several tall buildings is visible under a bright, hazy sky. The overall color palette is dominated by dark blues, greys, and the warm tones of the city lights and sky.

## **Indulgence In Death:**

Indulgence In Death J. D. Robb, 2010-11-11 It's playing more and more like it was for the thrill Just for the rush And if that's the way it is he's already looking for the next thrill First it was a limo driver shot through the neck with a crossbow Then it was a high priced escort found stabbed through the heart with a bayonet Random hits thrill kills and murderers with a taste for the finer things in life and death are making NYPD Lieutenant Eve Dallas angry And an angry Eve can be just as an efficient and dangerous predator as the killer As time runs out on another innocent victim's life Eve's investigation will take her into the rarefied circle that her lover Roarke travels in and into the perverted heart of madness **Crusade**

**Propaganda and Ideology** Christoph T. Maier, 2000-02-24 This book first published in 2000 presents an edition of seventeen ad status model sermons for the preaching of the crusades from the thirteenth and early fourteenth centuries The majority of these texts had never been printed before publication of this book They are unique sources for the content of crusade propaganda in the later Middle Ages giving a rare insight into the way in which propaganda shaped the public's view of crusading during that period Accompanying the Latin texts is an English translation which is aimed at making these sources accessible to a wider circle of students and scholars The first part of the book consists of a study of these model sermons which focuses on their place in the pastoral reform movement of the thirteenth century their specific character as models for the use of crusade propagandists their internal structure and the image of the crusade conveyed in the texts
