Duels in the Pool Matthew De George,2013-07-05 In the sports world battles between rivals can be friendly hotly

contested or even hostile An individual sport at its core swimming is defined by iconic rivalries such as those between Ian Thorpe and Grant Hackett Michael Phelps and Ryan Lochte and Jenny Thompson and Dara Torres Throughout its history swimming has showcased some of its top athletes competing face to face challenging each other in ways that captivate their fans Duels in the Pool Swimming's Greatest Rivalries highlights the best of these contests Spanning nearly 100 years this book delves into the individual showdowns team battles friendly competitions and heated political rivalries that have played out in pools around the world From their early beginnings through the highlights of their careers this book follows the top athletes in the sport and the rivals who pushed them to the pinnacle of swimming Individual races are recounted bringing to life the intense competition that drove the swimmers to glory In addition to the individual athletes Duels in the Pool also examines some of the most exciting rivalries that existed between colleges and among nations Although such rivalries as those between the U S and Australia took place exclusively in the pool others such as the battle against East Germany during the 1970s and 80s were intensified by the political climate and allegations of doping Exhaustively researched Duels in the Pool includes original interviews and rich details shining a light on some of the sport's finest athletes and the rivalries that propelled them to greatness This book will appeal not only to sports historians and researchers but also to fans of swimming at every level

The Textual Tradition of the Gospels Amy S. Anderson, 2019-11-26 This investigation of the 10th century minuscule Codex 1582 in the Gospel of Matthew includes a description of the physical document and an extensive evaluation of the text it contains The manuscript was copied by the monk Ephraim who is known to scholars in various fields The high quality of his work and of the documents which were available to him demonstrate that he carefully reproduced an exemplar which witnessed to an ancient and valuable text The text and marginal variants of Codex 1582 are shown to be related though not identical to the text of Matthew used by Origen raising the possibility of a Caesarean archetype A full collation of Codex 1582 to Codex 1 demonstrates that 1582 should be the leading member as well as the basis for the age and readings of Family 1 in Matthew Text collations of twelve other supposed family members lead to a re evaluation of the interrelationships of the documents and an expanded stemma of the family
