# Inside Hispanic Evangelicals

**Daniel Salinas**

## **Inside Hispanic Evangelicals:**

Inside Hispanic Evangelicals Daniel F. Flores, Ph.d.,2014-12-12 Who are the Hispanic Evangelicals What is it about their story that uniquely enables them to overcome a legacy of poverty racism and marginalization Why are they making alliances with leaders from the African American and Jewish communities In this short book Dr Daniel Flores surveys the cultural history and spiritual trajectory of Hispanics who identify with American Evangelicalism It was written for those who desire a better understanding of the heart works of Hispanic Evangelicals and aspire to enter into meaningful dialogue with them Presented with personal asides reflecting the author s commitment to social justice and spiritual transformation it reads more like a travelogue than a history book

**Latin American Evangelical Theology in the 1970's** Daniel Salinas,2009 The story of Latin American evangelicals doing theology is mostly unknown In the 1970s there was an important development with the formation of the Latin American Theological Fraternity FTL This group spearheaded the theological production in Latin America marking the beginning of a critical stage in the history of evangelicals in the region This book deals with the reception history in North America of the FTL and its program Interamerican theological dialogue is documented and analysed

**Then Came Hispangelicals: The Rise of the Hispanic Evangelical and Why It Matters** Dr. Rudolph D. Gonzalez,2021-02-08 Hispanics are embracing the gospel in record numbers swelling to well over 150 million believers today In light of such unprecedented growth evangelicals need resources to better understand their new Latino brothers and sisters Then Came Hispangelicals delivers This much needed primer surveys the history philosophical antecedents cultural developments and religious heritage of the Hispanic world Far from blind to the potential challenges Dr Rudolph Gonzalez proffers a thoughtful and balanced evaluation of Hispanic cultures from a Christ centered evangelical perspective Without apology he makes a case for the gospel as the only historical message with the power to resolve the Latino s perpetual search for a satisfying identity Hispanic evangelicals will be encouraged and empowered as they wrestle with the magnitude of the challenge they face committing to living under the rule of the mind of Christ A must read for all evangelicals in this current cultural moment

*Evangelicals in Mexico* Dinorah B. Méndez,Dinorah Mendez,2008 Hymns as a potential tool of theological contextualisation have never been fully explored This study looks at this function of hymnody in relation to Mexican culture A sample of hymnody used by evangelicals of different traditions was selected to examine its theology and to compare which kind of hymns or songs were more reliable and appropriate to communicate the evangelical faith in the Mexican context

**Inside Hispanic Evangelicals** Daniel F. Flores,2012-12-12 Who are the Hispanic Evangelicals and what is it about their story that uniquely enables them to overcome a legacy of poverty institutional racism and social marginalization Dr Daniel F Flores surveys the cultural history of US Hispanics who identify with American Evangelicalism Large print edition Updated for 2017

The Story of Latino Protestants in the United States Juan Francisco Martinez,2018-01-30 The first major historical overview of one of America s most vibrant Christian movements This

groundbreaking book by Juan Francisco Martinez provides a broad historical overview of Latino Protestantism in the United States from the early nineteenth century to the present Beginning with a description of the diverse Latino Protestant community and a summary of his own historiographical approach Martinez then examines six major periods in the history of American Latino Protestantism paying special attention to key social political and religious issues including immigration policies migration patterns enculturation and assimilation and others that framed its development and diversification during each period He concludes by outlining the challenges currently facing Latino Protestants in the United States and considering what Latino Protestantism might look like in the future Offering vital insights into key leaders eras and trends in Latino Protestantism Martinez's work will prove an invaluable resource for all who are seeking to understand this rapidly growing US demographic

**American Evangelicals Today** Corwin E. Smidt, 2015-02-03 Smidt assesses the contemporary social religious and political characteristics of evangelical Protestants today He analyzes the extent to which evangelicals are divided today and does so within the framework of four potential factors that might shape such divisions racial ethnic differences generational differences educational differences and religious differences Addressing how evangelicals have changed over time Smidt looks toward the future addressing generational differences and other possible factors for change among evangelical Protestants

**American Religious History** Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion's interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

**Are Southern Baptists "Evangelicals"?** James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983

Catholics and Evangelicals for the Common Good Ronald J. Sider, John Borelli, 2018-11-07 For centuries evangelical Protestants and Catholics have hurled harsh epithets at each other But that has changed dramatically in the last forty years In 1960 many prominent evangelicals opposed John Kennedy for president because he was a Catholic Today Catholics and evangelicals work together on many issues of public

policy This book records one important process in this transformation In 2004 the board of The National Association of Evangelicals NAE the largest representative body of evangelicals in the US unanimously approved For the Health of the Nation as the official public policy document for its public policy efforts representing 30 million evangelicals When scholars read this new ground breaking document they quickly realized there was widespread agreement between the NAE s official public policy document and the official public policy positions of American Catholics The result was a series of annual meetings held at Georgetown University and Eastern University that brought together prominent Catholic and Evangelical scholars and public policy specialists to explore the extent of the common ground This book reports on that dialogue and its contribution to the increasing Catholic evangelical cooperation

**Evangelical America** Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality

*Handbook of Latina/o Theologies* Edwin David Aponte, Miguel A. De La Torre, 2006-05-01 Handbook of Latino a Theologies explores the varied theological ecclesiastical spiritual and cultural expressions associated with the term Latino a or Hispanic theology There is no single definition of Hispanic Latino theology but rather a multiplicity of perspectives within the diverse Latino a communities that articulate a distinctive and relevant Hispanic viewpoint This collection of thirty four essays surveys how Latinos as understand and do theology within those varied contexts It gives attention to the history nature sources and development of Latinos as theological expressions within the U S and their contribution to the overall theological discourse and to the individual groups that gave rise to them Part I of the handbook presents essays on many traditional topics in Christian theology representative both of the individual authors and various beliefs found in Latino a communities Part II focuses on trends and contextual issues within the overall Hispanic Latino theological conversation

**Religion and Democracy in the United States** Alan Wolfe, Ira Katznelson, 2010-08-30 The United States remains a deeply religious country and religion plays an inextricably critical role in American politics Controversy over issues such as abortion is fueled by opposition in the Catholic Church and among conservative Protestants candidates for the presidency are questioned about their religious beliefs and the separation of church and state remains hotly contested While the examination of religion s influence in politics has long been neglected in the last decade the subject

has finally garnered the attention it deserves In Religion and Democracy in the United States prominent scholars consider the ways Americans understand the relationship between their religious beliefs and the political arena This collection a work of the Task Force on Religion and American Democracy of the American Political Science Association thoughtfully explores the effects of religion on democracy and contemporary partisan politics Topics include how religious diversity affects American democracy how religion is implicated in America s partisan battles and how religion affects ideas about race ethnicity and gender Surveying what we currently know about religion and American politics the essays introduce and delve into the range of current issues for both specialists and nonspecialists In addition to the editors the contributors are Allison Calhoun Brown Rosa DeLauro Bette Novit Evans James Gibson John Green Frederick Harris Amaney Jamal Geoffrey Layman David Leal David Leege Nancy Rosenblum Kenneth Wald and Clyde Wilcox

**The Future of Evangelicalism in America** Candy Gunther Brown, Mark Silk, 2016-04-26 In The Future of Evangelicalism in America thematic chapters on culture spirituality theology politics and ethnicity reveal the sources of the movement s dynamism as well as significant challenges confronting the rising generations A collaboration among scholars of history religious studies theology political science and ethnic studies the volume offers unique insight into a vibrant and sometimes controversial movement the future of which is closely tied to the future of America

*The End of White Christian America* Robert P. Jones, 2017-07-04 The founder and CEO of Public Religion Research Institute PRRI and columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America

*Rediscovering the Religious Factor in American Politics* David C. Leege, Lyman A. Kellstedt, 2016-09-16 This text addresses whether and how religion and religious institutions affect American politics For some time analysts have argued that the conflicts of the New Deal era rendered cultural differences trivial and placed economic interests at the top of the political agenda The authors and their collaborators John C Green James L Guth Ted G Jelen Corwin E Smidt Kenneth D Wald Michael R Welch and Clyde Wilcox disagree They find that religious worldviews are still insinuated in American political institutions and religious institutions still are points of reference The book profits from the new religiosity measures employed in the 1990 National Election Studies Part I discusses the study of religion in the context of politics Part II examines religion as a source of group orientation Part III takes up religious practices and their political ramifications Part IV does the same for doctrinal and worldview considerations Part V explores the sources of religious socialisation In conclusion Part VI reviews the research on religion and political behaviour and looks ahead to where work should proceed

**Godless Democrats and Pious Republicans?** Ryan L. Claassen, 2015-06-15 This book argues that basic demographic forces are essential to understanding the rise of Evangelical Republicans and Secular Democrats

**The Presidency of Donald J. Trump** Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump s four turbulent years in the White House The Presidency of Donald J Trump presents a first draft of history by offering needed perspective on one of the nation

s most divisive presidencies Acclaimed political historian Julian Zelizer brings together many of today s top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency When Trump took office in 2017 he quickly carved out a loyal base within an increasingly radicalized Republican Party dominated the news cycle with an endless stream of controversies and presided over one of the most contentious one term presidencies in American history These essays cover the crucial aspects of Trump s time in office including his administration s close relationship with conservative media his war on feminism the solidification of a conservative women s movement his response to COVID 19 the border wall growing tensions with China and NATO allies white nationalism in an era of Black Lives Matter and how the high tech sector flourished The Presidency of Donald J Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long term trends in Republican politics and American polarization more broadly With contributions by Kathleen Belew Angus Burgin Geraldo Cadava Merlin Chowkwanyun Bathsheba Demuth Gregory Downs Jeffrey Engel Beverly Gage Nicole Hemmer Michael Kazin Daniel C Kurtzer James Mann Mae Ngai Margaret O Mara Jason Scott Smith Keeanga Yamahtta Taylor and Leandra Zarnow

Hispanic American Religious Cultures Miguel A. De La Torre,2009-09-10 This encyclopedia is the first comprehensive survey of Hispanic American religiosity contextualizing the roles of Latino and Latina Americans within U S religious culture Spanning two volumes Hispanic American Religious Cultures encompasses the full diversity of faiths and spiritual beliefs practiced among Hispanic Americans It is the first comprehensive work to provide historic contexts for the many religious identities expressed among Hispanic Americans The entries of this encyclopedia cover a range of spiritual affiliations including Christian religious expressions world faiths and indigenous practices Coverage includes historical development current practices and key individuals while additional essays look at issues across various traditions By examining the distinctive Hispanic interpretations of religious traditions Hispanic American Religious Cultures explores the history of Latino and Latina Americans and the impact of living in the United States on their culture Who Is an Evangelical? Thomas S. Kidd,2019-09-24 A leading historian of evangelicalism offers a concise history of evangelicals and how they became who they are today Evangelicalism is arguably America s most controversial religious movement Nonevangelical people who follow the news may have a variety of impressions about what evangelical means But one certain association they make with evangelicals is white Republicans Many may recall that 81 percent of self described white evangelicals voted for Donald Trump and they may well wonder at the seeming hypocrisy of doing so In this illuminating book Thomas Kidd draws on his expertise in American religious history to retrace the arc of this spiritual movement illustrating just how historically peculiar that political and ethnic definition white Republican of evangelicals is He examines distortions in the public understanding of evangelicals and shows how a group of Republican insider evangelicals aided the politicization of the movement This book will be a must read for those trying to better understand the shifting religious and political landscape of

America today
